I. INTRODUCTION

A. RISK FACTORS

Standard Risk Factors:

- Investment in Mutual Fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal.
- As the price / value / interest rates of the securities in which the Scheme invests fluctuates, the value of your investment in the Scheme may go up or down depending on the various factors and forces affecting the capital markets and money markets as with any investment in stocks, shares and securities.
- Past performance of the Sponsor and their associates/ AMC / Mutual Fund does not guarantee future performance of the Scheme of the Mutual Fund.
- Parag Parikh Liquid Fund is only the name of the Scheme and the name of the Scheme does not in any manner indicate either the quality of the Scheme or its future prospects and returns.
- The Sponsor is not responsible or liable for any loss resulting from the operation of the Scheme beyond the initial contribution of Rs. 1 lakh made by them towards setting up the Fund.
- The present scheme is not a guaranteed or assured return scheme.

Scheme Specific Risk Factors:

Some of the specific risk factors related to the Scheme include, but are not limited to the following:

The performance of the Scheme may be affected by changes in Government policies, general levels of interest rates and risks associated with trading volumes, liquidity and settlement systems. As the Scheme will be investing in debt and money market instruments it may have the following risks:

1. Risk Factors Associated with Fixed Income Securities and Money Market Instruments:

Instruments Price-Risk or Interest-Rate Risk: The Net Asset Value (NAV) of the Scheme, to the extent invested in Debt and Money Market securities, will be affected by changes in the general level of interest rates. The NAV of the Scheme is expected to increase from a fall in interest rates while it would be adversely affected by an increase in the level of interest rates. Generally, when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of interest rates. It also depends upon the yield level at which the security is being traded.

As zero-coupon securities do not provide periodic interest payments to the holder of the security, these securities are more sensitive to changes in interest rates. Therefore, the interest rate risk of zero coupon securities is higher. The AMC may choose to invest in zero coupon securities that offer attractive yields. This may increase the risk of the portfolio.

Investments in fixed income securities carry re-investment risk as interest rates prevailing on the coupon payment or maturity dates may differ from the original interest rates. A borrower may prepay a receivable prior to its due date. This may result in a change in the yield and tenor for the Scheme.

Money market securities, while fairly liquid, lack a well-developed secondary market, which may restrict the selling ability of the Scheme and may lead to the Scheme incurring losses till the security is finally sold.

Credit Risk: Investments in money market instruments involve credit risk commensurate with short term rating of the issuers.

Investment in Debt instruments are subject to varying degree of credit risk or default risk (i.e. the risk of an issuer's inability to meet interest and principal payments on its obligations) or any other issues, which may have their credit ratings downgraded. Investment is also subject to the risk of market perception of the creditworthiness of the issuer. i.e. even where no default occurs, the price of a security may go down because the credit rating of an issuer goes down. Changes in financial conditions of an issuer, changes in economic and political conditions in general, or changes in economic and/ or political conditions specific to an issuer, all of which are factors that may have an adverse impact on an issuer's credit quality and security values. This may increase the risk of the portfolio.

Government securities where a fixed return is offered run price-risk like any other fixed income security. It is to be noted here that a government Security is a sovereign security and is the safest. Generally, when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of interest rates. The price-risk is not unique to Government Securities. It exists for all fixed income securities. However, Government Securities are unique in the sense that their credit risk generally remains zero. Therefore, their prices are influenced only by movement in interest rates in the financial system.

Different types of fixed income securities in which the Scheme would invest as given in the SID carry different levels and types of risk. Accordingly, the Scheme risks may increase or decrease depending upon its investment pattern. e.g. Corporate Bonds carry a higher level of risk than Government securities. Within Corporate Bonds also there are different level of safety and bonds rated higher by particular rating agency is safer than a bond rated lower by the same rating agency.

Prepayment Risks: In the event of prepayments, investors may be exposed to changes in tenor and yield.

Re-investment Risk: Investments in fixed income securities carry re-investment risk as interest rates prevailing on the coupon payment or maturity dates may differ from the original interest rates and proceeds may get invested at a lower rate.

Spread Risk: In a floating rate security the coupon is expressed in terms of a spread or mark up over the benchmark rate. However, depending upon the market conditions, the spreads may move adversely or favorably leading to fluctuation in NAV. In the life of the security this spread may move adversely leading to loss in value of the portfolio. The yield of the underlying benchmark might not change, but the spread of the security over the underlying benchmark might increase leading to loss in value of the security.

Liquidity Risk: The liquidity of a bond may change, depending on market conditions leading to changes in the liquidity premium attached to the price of the bond. At the time of selling the security, the security can become illiquid, leading to loss in value of the portfolio.

Liquidity Risk on account of unlisted securities: The AMC may choose to invest in unlisted securities that offer attractive yields. This may increase the risk of the portfolio. The liquidity and valuation of the Scheme investments due to their holdings of unlisted securities may be affected if they have to be sold prior to their target date of divestment. The unlisted security can go down in value before the divestment date and selling of these securities before the divestment date can lead to losses in the portfolio.

Counterparty Risk: - This is the risk of failure of counterparty to a transaction to deliver securities against consideration received or to pay consideration against securities delivered, in full or in part or as per the agreed specification. There could be losses to the Scheme in case of a counterparty default.

Settlement Risk: Fixed income securities run the risk of settlement which can adversely affect the ability of the fund house to swiftly execute trading strategies which can lead to adverse movements in NAV.

Risks associated with unrated instruments: - Investments in unrated instruments are considered to be subject to greater risk of loss of principal and interest than rated instruments. The AMC may, considering the overall level of risk of the portfolio, invest in lower rated / unrated securities offering higher yields as well as zero coupon securities that offer attractive yields. This may increase the absolute level of risk of the portfolio.

Duration Risk: Duration risk refers to the movement in price of the underlying invested money market / debt instruments due to movement/change in interest rates over different durations of maturity of instruments. In a portfolio of debt assets, the duration risk is measured by the average duration of the portfolio. Duration, expressed in years, is used as a measure of the sensitivity of the fixed income instrument to a change in interest rates. Usually Individual duration of the fixed income instruments in the portfolio is calculated and the portfolio duration is the weighted average of such individual instrument duration. A longer portfolio duration is associated with greater price fluctuations. A rise in interest rates could normally lead to decrease in prices and generally negatively affects portfolios having longer duration vis-a-vis portfolios having shorter duration. A fall in interest rate generally benefits portfolio having longer duration. A longer duration portfolio is also generally associated with greater volatility vis-a-vis a shorter duration portfolio.

Performance Risk: Performance risk refers to the risk of a scheme being unable to generate returns matching /above the returns of the scheme's benchmark. It would also mean the scheme underperforming against its peer set of other mutual fund schemes having similar portfolios, scheme classification, objective, benchmark and asset allocation. The performance risk is a function of various variables which include interest rate movement and the associated price movement of the invested debt/money market instruments, the duration risk, the credit quality movement and the liquidity of the invested instruments. These risks could arise due to a variety of market and economic activities, government policies, global economic changes, currency fluctuations, tax policies, political changes, corporate actions and investors' behavior.

Redemption risk: The Scheme at times may receive large number of redemption requests, leading to an asset-liability mismatch and therefore, requiring the investment manager to make a distress sale of the securities leading to realignment of the portfolio and consequently resulting in investment in lower yield instruments.

To the extent the underlying Mutual Fund Scheme invest in Debt / Money Market Instruments, the Scheme shall be affected by the aforementioned risk factors. The Net Asset Value (NAV) of the units of the Scheme is likely to get effected on accounts of such risk factors. Any change in the investment policies or fundamental attributes of any underlying scheme is likely to affect the performance of the Scheme. Further, the liquidity of the Scheme's investments may be inherently restricted by the liquidity of the underlying schemes in which it has invested.

2. Risk factors associated with investing in Derivatives:

Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.

The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.

Derivatives require the maintenance of adequate controls to monitor the transactions entered into, the ability to assess the risk that a derivative adds to the portfolio and the ability to forecast price or interest rate movements correctly. There is the possibility that a loss may be sustained by the portfolio as a result of the failure of another party (usually referred to as the "counterparty") to comply with the terms of the derivatives contract. The Scheme bears a risk that it may not be able to correctly forecast future market trends or the value of assets, indices or other financial or economic factors in establishing derivative positions for the Scheme.

Besides the price of the underlying asset, the volatility, tenor and interest rates affect the pricing of derivatives, trading in derivatives carry a high degree of risk although they are traded at a relatively small amount of margin which provides the possibility of great profit or loss in comparison with the principal investment amount.

Other risks in using derivatives include but are not limited to:

a. Credit Risk – This occurs when a counterparty defaults on a transaction before settlement and therefore, the Scheme are compelled to negotiate with another counter party, at the then prevailing (possibly unfavorable) market price, in order to maintain the validity of the hedge. For exchange traded derivatives, the risk is mitigated as the exchange provides a guaranteed settlement but one takes the performance risk on the exchange.

b. Liquidity risk - This risk arises from the inability to sell derivatives at prices that reflect the underlying assets/ rates/ indices, lack of availability of derivative products across different maturities and with various risk appetite.

c. Model Risk – This is the risk of mis–pricing or improper valuation of derivatives.

d. Basis Risk – This risk arises when the derivative instrument used to hedge the underlying asset does not match the movement of the underlying being hedged for example, when a bond is hedged using a derivative, the change in price of the bond and the change in price of the derivative may not be fully correlated leading to basis risk in the portfolio. The underlying benchmark of a floating rate security might become less active or may cease to exist and thus may not be able to capture the exact interest rate movements, leading to loss of value of the portfolio. Example: Where swaps are used to hedge an underlying fixed income security, basis risk could arise when the fixed income yield curve moves differently from that of the swap benchmark curve or if there is a mismatch in the tenor of the swap and the fixed income security.

e. Market Risk: Derivatives are traded in the market and are exposed to losses due to change in the prices of the underlying and/or other assets and, change in market conditions and factors. The volatility in prices of the underlying may impact derivative instruments differently than its underlying.

f. Valuation Risk: This is the risk of mis–pricing or improper valuation of derivatives due to inadequate trading data with good volumes.

g. Operational / Systemic Risk: This is the risk arising due to failure of operational processes followed by the exchanges and Over the Counter (OTC) participants for the derivatives trading.

h. Counterparty Risk: Counterparty risk is the risk that losses will be incurred due to the default by the counterparty for OTC derivatives.

i. Exposure Risk: An exposure to derivatives in excess of the hedging requirements can lead to losses. An exposure to derivatives can also limit the profits from a plain investment transaction.

j. Interest Rate Risk: This risk arises from the movement of interest rates in adverse direction. As with all the debt securities, changes in the interest rates will affect the valuation of the portfolios.

3. Risk factors Associated with Securitised Debt:

The Scheme may invest in domestic securitized debt such as Asset Backed Securities (ABS) or Mortgage Backed Securities (MBS). ABS are securitized debts where the underlying assets are receivables arising from various loans including automobile loans, personal loans, loans against consumer durables, etc. MBS are securitized debts where the underlying assets are receivables arising from loans backed by mortgage of residential / commercial properties.

At present in Indian market, following types of loans are securitized:

1. Auto Loans (cars / commercial vehicles /two wheelers)
2. Residential Mortgages or Housing Loans
3. Consumer Durable Loans
4. Personal Loans
5. Corporate Loans

In terms of specific risks attached to securitization, each asset class would have different underlying risks. Residential Mortgages generally have lower default rates than other asset classes, but repossession becomes difficult. On the other hand, repossession and subsequent recovery of commercial vehicles and other auto assets is fairly easier and better compared to mortgages. Asset classes like personal loans, credit card receivables are unsecured and in an economic downturn may witness higher default. A corporate loan/receivable, depend upon the nature of the underlying security for the loan or the nature of the receivable and the risks correspondingly fluctuate.

The Risks involved in Securitised Papers described below are the principal ones and does not represent that the risks set out hereunder is exhaustive.

Limited Liquidity & Price Risk

There is no assurance that a deep secondary market will develop for the Certificates. This could limit the ability of the investor to resell them.

Limited Recourse, Delinquency and Credit Risk

The Credit Enhancement stipulated represents a limited loss cover to the Investors. These Certificates represent an undivided beneficial interest in the underlying receivables and do not represent an obligation of either the Issuer or the Seller or the originator, or the parent or any affiliate of the Seller, Issuer and Originator. Delinquencies and credit losses may cause depletion of the amount available under the Credit Enhancement and thereby the Investor Payouts to the Certificate Holders may get affected if the amount available in the Credit Enhancement facility is not enough to cover the shortfall. On persistent default of an Obligor to repay his obligation, the Servicer may repossess and sell the Asset. However, many factors may affect, delay or prevent the repossession of such Asset or the length of time required to realise the sale proceeds on such sales. In addition, the price at which such Asset may be sold may be lower than the amount due from that Obligor.

Risks due to possible prepayments and Charge Offs

In the event of prepayments, investors may be exposed to changes in tenor and yield. Also, any Charge Offs would result in the reduction in the tenor of the Pass-Through Certificates (PTCs).

Re-investment Risk: Since prepayment risk increases when interest rates decline, this also introduces re-investment risk, which is the risk that the principal can only be reinvested at a lower rate.

Bankruptcy of the Swap Bank

If the Swap Bank, becomes subject to bankruptcy proceedings then an Investor could experience losses or delays in the payments due under the Interest Rate Swap Agreement.

Risk of Co-mingling

With respect to the Certificates, the Servicer will deposit all payments received from the Obligors into the Collection Account. However, there could be a time gap between collection by a Servicer and depositing the same into the Collection account especially considering that some of the collections may be in the form of cash. In this interim period, collections from the Loan Agreements may not be segregated from other funds of originator. If originator in its capacity as Servicer fails to remit such funds due to Investors, the Investors may be exposed to a potential loss.

4. General Risk factors:

Trading volumes, settlement periods and transfer procedures may restrict the liquidity of the investments made by the Scheme. Different segments of the Indian financial markets have different settlement periods and such periods may be extended significantly by unforeseen circumstances leading to delays in receipt of proceeds from sale of securities. The NAV of the Units of the Scheme can go up or down because of various factors that affect the capital markets in general.

As the liquidity of the investments made by the Scheme could, at times, be restricted by trading volumes and settlement periods, the time taken by the Mutual Fund for redemption of Units may be significant in the event of an inordinately large number of redemption requests or restructuring of the Scheme. In view of the above, the Trustee has the right, in its sole discretion, to limit redemptions (including suspending redemptions) under certain circumstances, as described under "**Right to Limit Redemptions**" in Section 'Restrictions, if any, on the right to freely retain or dispose of units

being offered'. The Scheme may retain certain investments in cash or cash equivalents for its day-to-day liquidity requirements.

Investment strategy to be adopted by the Scheme may carry the risk of significant variance between the portfolio allocation of the Scheme and the Benchmark particularly over a short to medium term period.

Performance of the Scheme may be affected by political, social, and economic developments, which may include changes in government policies, diplomatic conditions, and taxation policies.

5. Risk factors associated with processing of transaction through Stock Exchange Mechanism:

The trading mechanism introduced by the stock exchange(s) is configured to accept and process transactions for mutual fund units in both Physical and Demat Form. The allotment and/or redemption of Units through NSE and/or BSE or any other recognised stock exchange(s), on any Business Day will depend upon the modalities of processing viz. collection of application form, order processing/settlement, etc. upon which the Fund has no control. Moreover, transactions conducted through the stock exchange mechanism shall be governed by the operating guidelines and directives issued by respective recognized stock exchange(s).

6. Risk factors associated with Segregated Portfolio

Different types of securities in which the scheme would invest carry different levels and types of risk as given in the Scheme Information Document of the scheme. In addition to the same, unitholders are requested to also note the following risks with respect to Segregated Portfolio:

Liquidity Risk: A lower level of liquidity affecting an individual security (ies) or an entire market may have an adverse bearing on the value of the Segregated Scheme's assets. This may more importantly affect the ability to sell particular securities with minimal impact cost as and when necessary to meet requirements of liquidity or to sell securities in response to triggers such as a specific economic/corporate event. Trading volumes, settlement periods and transfer procedures may restrict the liquidity of a few of the investments. This may impact the NAV of the segregated portfolio and could result into potential loss to the Unit holders.

Credit risk: The scheme's risk may increase or decrease depending upon its investment pattern. E.g. corporate bonds carry a higher amount of risk than Government securities. Further even among corporate bonds, bonds, which are AA rated, are comparatively more risky than bonds, which are AAA rated. Investment in unrated securities may be riskier compared to investment in rated instruments due to non-availability of third party assessment on the repayment capability of the issuer. As the securities are unrated, an independent opinion of the rating agency on the repayment capability of the issuer will not be available. The issuer of a debenture/ bond or a money market instrument may default on interest payment or even in paying back the principal amount on maturity. Even where no default occurs, the price of a security may go down because the credit rating of an issuer goes down. This may impact the NAV of the segregated portfolio and resultant loss to the Unit holders.

Listing of units: Listing of units of segregated portfolio in recognized stock exchange does not necessarily guarantee their liquidity. There may not be active trading of units in the stock market. Further, trading price of units on the stock market may be significantly lower than the prevailing NAV.

B. REQUIREMENT OF MINIMUM INVESTORS IN THE SCHEME

The Scheme shall have a minimum of 20 investors and no single investor shall account for more than 25% of the corpus of the Scheme. However, if such limit is breached during the NFO of the Scheme, the Fund will endeavour to ensure that within a period of three months or the end of the succeeding calendar quarter from the close of the NFO of the Scheme, whichever is earlier, the Scheme complies with these two conditions. In case the Scheme does not have a minimum of 20 investors in the stipulated period, the provisions of Regulation 39(2)(c) of the SEBI (MF) Regulations would become applicable automatically without any reference from SEBI and accordingly the Scheme shall be wound up and the units would be redeemed at applicable NAV. The two conditions mentioned above shall also be compiled within each subsequent calendar quarter thereafter, on an average basis, as specified by SEBI. If there is a breach of the 25% limit by any investor over the quarter, a rebalancing period of one month would be allowed and thereafter the investor who is in breach of the rule shall be given 15 days notice to redeem his exposure over the 25 % limit. Failure on the part of the said investor to redeem his exposure over the 25 % limit within the aforesaid 15 days would lead to automatic redemption by the Mutual Fund on the applicable Net Asset Value on the 15th day of the notice period. The Fund shall adhere to the requirements prescribed by SEBI from time to time in this regard.

C. REQUIREMENT OF MINIMUM AVERAGE ASSETS UNDER MANAGEMENT (AUM)

The Scheme shall maintain an average AUM of Rs. 20 crores on half yearly rolling basis. In case, the average AUM falls below Rs. 20 crores, the AMC shall scale up the AUM of such Scheme within a period of six months so as to maintain the average AUM of Rs. 20 crores on half yearly rolling basis, failing which the Scheme shall be wound up in accordance with the provisions of Regulation 39 (2) (c) of SEBI (Mutual Funds) Regulations, 1996 as amended from time to time.

D. SPECIAL CONSIDERATIONS, IF ANY

- The Sponsor is not responsible for any loss resulting from the operation of the Scheme beyond the initial contribution of an amount of Rs.1,00,000 (Rupees One Lakh) collectively made by them towards setting up the Mutual Fund or such other accretions and additions to the initial corpus set up by the Sponsor.
- The Trustee, AMC, Mutual Fund, their directors and their employees shall not be liable for any of the tax consequences that may arise, in the event that the Scheme is wound up for the reasons and in the manner provided in 'Statement of Additional Information ('SAI')'. Redemption by the Unit holder due to change in the fundamental attributes of the Scheme or due to any other reasons may involve tax consequences. The Trustee, AMC, Mutual Fund, their directors and their employees shall not be liable for any such tax consequences that may arise.
- The tax benefits described in this Scheme Information Document and Statement of Additional Information are as available under the present taxation laws and are available subject to relevant conditions. The information given is included only for general purpose and is based on advice received by the AMC regarding the law and practice currently in force in India and the Unit holders should be aware that the relevant fiscal rules or their interpretation may change. As is the case with any investment, there can be no guarantee that the tax position or the proposed tax position prevailing at the time of an investment in the Scheme will endure indefinitely. In view of the individual nature of tax consequences, each Unit holder is advised to consult his / her own professional tax advisor.
- Prospective Investors should study this Scheme Information Document and the Statement of Additional Information carefully in its entirety and should not construe the contents as advice relating to legal, taxation, investment or any other matters. Investors are advised to consult their legal, tax, investment and other professional advisors to determine possible legal, tax, financial or other considerations of subscribing to or redeeming units, before making a decision to invest / redeem /hold Units.
- Neither this Scheme Information Document nor the Units have been registered in any jurisdiction outside India. The Investors may take note that the Scheme may in future be registered/ recognized in any other applicable jurisdiction, by the AMC as and when it desires. The distribution of this Scheme Information Document in certain jurisdictions may be restricted or totally prohibited due to registration requirements and accordingly, persons who come into possession of this Scheme Information Document are required to inform themselves about and to observe any such restrictions and or legal compliance requirements with respect to their eligibility for investment in the Units of the Scheme. Any person receiving a copy of this SID, SAI or any accompanying application form in such jurisdiction should not treat this SID, SAI or such application form as constituting an invitation to them to subscribe for Units. Such persons should in no event use any such application form unless in the relevant jurisdiction such an invitation to subscribe could lawfully be made to them and such application form could lawfully be used without complying with any registration or other legal requirements by the AMC/Mutual Fund/Trustee.
- Any dispute arising out of the Scheme shall be subject to the non-exclusive jurisdiction of the Courts in India. Statements in this Scheme Information Document are, except where otherwise stated, based on the law, practice currently in force in India, and are subject to changes therein.
- No person has been authorised to issue any advertisement or to give any information or to make any representations other than that contained in this Scheme Information Document and Statement of Additional Information. Circulars in connection with this offering not authorised by the Mutual Fund and any information or representations not contained herein must not be relied upon as having been authorized by the Mutual Fund.

- The Mutual Fund / Trustees / AMC has not authorized any person to give any information or make any representations, either oral or written, not stated in this SID or the SAI in connection with issue or sale of Units under the Scheme. Prospective Investors are advised not to rely upon any information or representations not incorporated in the SAI and SID as the same have not been authorized by the Mutual Fund or the Trustees or the AMC. Any Purchase or Redemption or Switch made by any person on the basis of statements or representations which are not contained in this SID or SAI or which are not consistent with the information contained in the Offer Documents shall be solely at the risk of the Investor / Unit holder(s). Investors are requested to check the credentials of the individual, firm or other entity they are entrusting their Application Form and payment to, for any transaction with the Mutual Fund. The Mutual Fund shall not be responsible for any acts done by the intermediaries representing or purportedly representing such Investor.
- The Mutual Fund may disclose details of the investor's account and transactions there under to those intermediaries whose stamp appears on the application form. In addition, the Mutual Fund may disclose such details to the bankers / its agents, payment aggregators as may be necessary for the purpose of effecting payments to the investor. Further, the Mutual Fund may disclose details of the investor's account and transactions thereunder to any Regulatory / Statutory entities as per the provisions of law.
- The AMC and/ or its Registrars & Transfer Agent (RTA) reserve the right to disclose/share Unit holder's details of folio(s) and transaction details thereunder with the following third parties of fulfilling its obligations under PMLA and rules/guidelines issued thereunder without obtaining prior approval of the Unitholder/any other person. In this connection the Trustee / AMC reserves the right to reject any such application at its discretion.
- Mutual funds and securities investments are subject to market risks and there can be no assurance or guarantee that the Scheme objectives will be achieved and the investment decisions made by the AMC may not always be profitable. Investors should study this Scheme Information Document and the Statement of Additional Information carefully in its entirety before investing.
- In terms of the Prevention of Money Laundering Act, 2002, the Rules issued thereunder and the guidelines/ circulars issued by SEBI regarding the Anti Money Laundering (AML Laws), all intermediaries, including Mutual Funds, have to formulate and implement a client identification programme, verify and maintain the record of identify and address(es) of investors. If after due diligence, the AMC believes that any transaction is suspicious in nature as regards money laundering, failure to provide required documentation, information, etc. the AMC shall have absolute discretion to report such suspicious transactions to FIU-IND and / or to freeze the folio(s) of the investor(s), reject any application(s) / allotment of units and effect mandatory redemption of unit holdings of the investor(s) at the applicable NAV.
- Subject to the approval of Board of Directors of the AMC and Trustee Company and immediate intimation to SEBI, a restriction on redemptions may be imposed by the Scheme under certain exceptional circumstances, which the AMC / Trustee believe that may lead to a systemic crisis or event that constrict liquidity of most securities or the efficient functioning of markets. Please refer to the paragraph "Right to Limit Redemptions" for further details.
- From time to time and subject to the Regulations, the Sponsor, the mutual funds and investment companies managed by them, their, their associate companies, subsidiaries of the Sponsor and the AMC may invest either directly or indirectly in the Scheme. The funds managed by these associates, the sponsor, subsidiaries of the Sponsor and/ or the AMC may acquire a substantial portion of the Scheme's Units and collectively constitute a major Investor in the Scheme. Accordingly, Repurchase/Redemption of Units held by such funds, associates and Sponsor may have an adverse impact on the Units of the Scheme because the timing of such Repurchase/Redemption may impact the ability of the other Unitholders to redeem their Units.
- **Levy of Stamp Duty on applicable mutual fund transactions**

Investors/ Unit holders of all Schemes of PPFAS Mutual Fund are requested to note that, pursuant to Part I of Chapter IV of the Notification dated February 21, 2019, issued by the Legislative Department, Ministry of Law and Justice, Government of India, on the Finance Act, 2019, read with subsequent notifications including Notification dated March 30, 2020 issued by Department of Revenue, Ministry of Finance, Government of India, a stamp duty at the rate of 0.005% of the transaction value would be levied on applicable mutual fund investment transactions such as purchases (including switch-in, Reinvestment of Income Distribution cum capital withdrawal option) with effect from July 1, 2020. Accordingly, pursuant to levy of stamp duty, the number of units allotted on purchases, switch-ins, Systematic Investment Plan (SIP) installments, Systematic Transfer Plan (STP) installments, Reinvestment of Income Distribution cum capital withdrawal option etc. to

the unit holders would be reduced to that extent. The stamp duty will be deducted from the net investment amount i.e. gross investment amount less any other deduction like transaction charge. Units will be created only for the balance amount i.e. Net Investment Amount as reduced by the stamp duty. The stamp duty will be computed at the rate of 0.005% on an inclusive method basis.

For instance: If the transaction amount is Rs. 100100/- and the transaction charge is Rs. 100, the stamp duty will be calculated as follows: $((\text{Transaction Amount} - \text{Transaction Charge}) / 100.005 \times 0.005) = \text{Rs. } 5$. If the applicable Net Asset Value (NAV) is Rs. 10 per unit, then units allotted will be calculated as follows: $(\text{Transaction Amount} - \text{Transaction Charge} - \text{Stamp Duty}) / \text{Applicable NAV} = 9,999.50$ units.

- **Foreign Account Tax Compliance Act (FATCA):**

The Foreign Account Tax Compliance Act (FATCA) is a United States Federal Law, aimed at prevention of tax evasion by US taxpayers through use of offshore accounts. The Government of India and the United States of America (US) have reached an agreement in substance on the terms of an Inter-Governmental Agreement (IGA) to implement FATCA. FATCA is designed to increase compliance by US taxpayers and is intended to bolster efforts to prevent tax evasion by the US taxpayers with offshore investments. PPFAS Mutual Fund is classified as a "Foreign Financial Institution" (FFI) under the FATCA provisions. FATCA requires enhancement of due diligence processes by the FFI so as to enable the FFI to identify US reportable accounts.

In accordance with the FATCA provisions, the Fund /the AMC would be required, from time to time, to undertake necessary due diligence process by collecting information/documentary evidence of the US/non-US status of its investors/ unit holders and identify US reportable accounts, and to disclose/report information (through itself or through its service providers), as far as may be legally permitted, about the holdings/investment returns pertaining to US reportable accounts to the US Internal Revenue Service (IRS) and/or such Indian authorities as may be specified under FATCA or other applicable laws or guidelines; and to carry out such other activities, as prescribed under FATCA or other applicable laws or guidelines, as amended from time to time.

II. Information about the Scheme:

A. TYPE OF THE SCHEME:

Parag Parikh Liquid Fund is an Open-ended Liquid Scheme

B. WHAT IS THE INVESTMENT OBJECTIVE OF THE SCHEME?

The primary investment objective of the Scheme is to provide optimal returns with lower risk and higher liquidity through judicious investments in money market and debt instruments.

There is no assurance that the investment objective of the Scheme will be realized and the scheme does not assure or guarantee any returns.

C. HOW WILL THE SCHEME ALLOCATE ITS ASSETS?

Asset allocation:

The AMC retains the flexibility to invest across all the securities/ instruments in debt and money market. The flexibility is being retained to adjust the portfolio in response to a change in the risk - return equation for asset classes under investment, with view to maintain risks within manageable limits. Under normal circumstances, the asset allocation of the Scheme's portfolio will be as follows:

Sr. No.	Type of Instruments	Normal Allocation (% of Net Assets)	Risk Profile
1.	Money Market instruments* (including cash, repo, CPs, CDs, Treasury Bills, TREPs/CBLO and Government Securities with maturity/residual maturity up to 91 days)	80- 100	Low
2.	Debt instruments (including Floating rate debt instruments and securitised debt with maturity/residual maturity up to 91 days)	0 - 20	Low to Medium

The scheme may invest in maximum of 20% in securitised debt.

The scheme may also invest upto 50% of the portfolio (i.e net asset including cash) in such derivative instruments as may be introduced from time to time subject to framework specified by SEBI, for the purpose of hedging, portfolio balancing and such other purposes as may be permitted under SEBI Regulation.

*At least 20% of the net assets of the scheme shall be invested in liquid assets. 'Liquid assets' shall include Cash, Government Securities, T-bills and Repo on Government Securities.

In accordance with SEBI Circular No. 13/150975/09 dated January 19, 2009 and September 20, 2019. Parag Parikh Liquid Fund shall have the following additional characteristics with regard to its portfolio:

- (i) The Scheme shall make investment in/ purchase debt and money market securities with maturity of upto 91 days only.
- (ii) In case of securities with put and call options (daily or otherwise) the residual maturity shall not be greater than 91 days.
- (iii) Inter-scheme transfers of Debt and Money Market Instruments in the Scheme shall be carried out in respect of securities with the maturity of upto 91 days.

The Scheme will not invest in the ADRs/GDRs and Foreign Securities. The Scheme shall not engage into securities lending and borrowing.

In case of securities where the principal is to be repaid in a single payout, the maturity of the securities shall mean

residual maturity. In case the principal is to be repaid in more than one payout then the maturity of the securities shall be calculated on the basis of weighted average maturity of the security.

In case the maturity of the security falls on a Non-Business Day, then settlement of securities will take place on the next Business Day.

The Scheme retains the flexibility to invest across all the securities in the debt and Money Market Instruments.

The Scheme shall not park its funds which are pending for deployment in short term deposits of scheduled commercial banks.

The Scheme shall not invest in debt securities having structured obligations (SO rating) and/ or credit enhancements (CE rating). However, debt securities with government guarantee shall be excluded from such restriction.

All the investments by the Mutual Fund under the Scheme shall be guided by investment restrictions as specified in SEBI (Mutual Funds) Regulations, 1996 from time to time.

The Scheme may review the above pattern of investments based on views on interest rates and asset liability management needs. However, at all times the portfolio will adhere to the overall investment objectives of the Scheme.

In the event that the asset allocation of the scheme should deviate from the ranges as stated in asset allocation table above, then the portfolio of the scheme will be rebalanced by the fund manager for the position indicated in the asset allocation table above within a maximum period of 30 working days from the date of said deviation.

In case the same is not aligned to the above asset allocation pattern within 30 days, justification shall be provided to the Investment Committee and reasons for the same shall be recorded in writing. The Investment Committee shall then decide on the course of action.

Review by Board of AMC and Trustees

A detailed review of the schemes of the Fund including its performance vis-à-vis benchmark index, assets size, rankings/ratings received, if any is placed before the Board of Directors of AMC and to the Trustee on a quarterly basis.

Change in Asset Allocation / Investment Pattern

Subject to SEBI (MF) Regulations the asset allocation pattern, other permitted securities and such other securities as indicated above may change from time to time, keeping in view market conditions, market opportunities, applicable regulations and political and economic factors. It must be clearly understood that the percentages stated above are only indicative and not absolute and that they can vary substantially depending upon the perception of the Investment Manager, the intention being at all times to seek to protect the interests of the Unit holders.

Such changes in the investment pattern will be for short term and for defensive consideration only. In the event of change in the asset allocation, other permitted securities and such other securities, the fund manager will carry out portfolio rebalancing within 30 Days. Further, in case the portfolio is not rebalanced within the period of 30 days, justification for the same shall be placed before the investment committee and reasons for the same shall be recorded in writing. The investment committee shall then decide on the course of action.

Debt Market in India

The instruments available in Indian Debt Market are classified into two categories, Government and Non – Government debt securities. The following instruments are available in these categories:

A) Government Debt Securities

- ★ Central Government Debt
- ★ Treasury Bills
- ★ Dated Government Securities
 - Coupon Bearing Bonds
 - Floating Rate Bonds
 - Zero Coupon Bonds
- ★ State Government Debt
 - State Government Loans
 - Coupon Bearing Bonds

B) Non-Government Debt

- ★ Instruments issued by Government Agencies and other Statutory Bodies
 - Government Guaranteed Bonds
 - PSU Bonds

C) Instruments issued by Public Sector Undertakings

- ★ Commercial Paper
- ★ PSU Bonds
- ★ Fixed Coupon Bonds
- ★ Floating Rate Bonds
- ★ Zero Coupon Bonds

Instruments issued by Banks and Development Financial Institutions

- ★ Certificates of Deposit
- ★ Promissory Notes
- ★ Bonds
- ★ Fixed Coupon Bonds
- ★ Floating Rate Bonds
- ★ Zero Coupon Bonds

Instruments issued by Corporate Bodies

- ★ Commercial Paper
- ★ Non-Convertible Debentures
- ★ Fixed Coupon Debentures
- ★ Floating Rate Debentures
- ★ Zero Coupon Debentures
- ★ Corporate Bonds

Instruments that comprise a major portion of money market activity include,

- ★ Overnight Call
- ★ Repo/Reverse Repo Agreements
- ★ Collateralised Borrowing & Lending Obligation (CBLO/TREPs)
- ★ Treasury Bills
- ★ Government Securities with a residual maturity of < 1 year

★ Commercial Paper and Certificates of Deposit

Apart from these, there are some other options available for short tenure investments that include MIBOR linked debentures with periodic exit options and other such instruments.

Though not strictly classified as Money Market Instruments, PSU/ DFI / Corporate paper with a residual maturity of < 1 year, are actively traded and offer a viable investment option. The following table gives approximate yields prevailing on **September 30, 2021** on some of the instruments. These yields are indicative and do not indicate yields that may be obtained in future as interest rates keep changing consequent to changes in macro - economic conditions and RBI policy.

Instrument	Yield Range (% per annum)
Interbank Call Money	3.41 - 3.74
91 Day Treasury Bill	2.93 - 3.47
364 Day Treasury Bill	3.39 - 3.89
A1+ Commercial Paper 90 Days (Approx)	3.20 - 3.80
5 Year Government of India Security	4.97 - 6.17
10 Year Government of India Security	5.82 - 6.26
15 Year Government of India Security	6.18 - 6.89
1 Year Corporate Bond - AAA Rated	3.67 - 4.58
3 Year Corporate Bond - AAA Rated	4.56 - 5.75
5 Year Corporate Bond - AAA Rated	5.43 - 6.39

Source: Bloomberg

These yields are indicative and do not indicate yields that may be obtained in future as interest rates keep changing consequent to changes in macro - economic conditions and RBI policy. The price and yield on various debt instruments fluctuate from time to time depending upon the macro - economic situation, inflation rate, overall liquidity position, foreign exchange scenario etc. Also, the price and yield vary according to maturity profile, credit risk etc.

Generally, for instruments issued by a non-Government entity (corporate / PSU bonds), the yield is higher than the yield on a Government Security with corresponding maturity. The difference, known as credit spread, depends on the credit rating of the entity.

D. WHERE WILL THE SCHEME INVEST?

The corpus of the Scheme shall be invested in any (but not exclusively) of the following securities as permitted by SEBI/ RBI from time to time:

Debt Securities & Money Market Instruments:

1. Certificate of Deposits (CD) – CD is a negotiable money market instrument issued by scheduled commercial banks and select all-India Financial Institutions that have been permitted by the RBI to raise short term resources. The maturity period of CDs issued by the Banks is between 7 days to one year, whereas, in case of FIs, maturity is between one year to 3 years from the date of issue. CDs may be issued at a discount to face value.

2. Commercial Paper (CP) - CP is an unsecured negotiable money market instrument issued in the form of a promissory note, generally issued by the corporates, primary dealers and all India Financial Institutions as an alternative source of short term borrowings. They are issued at a discount to the face value as may be determined by the issuer. CP is traded in secondary market and can be freely bought and sold before maturity.

3. Bills Re-discounting (BRD) – BRD is the rediscounting of trade bills which have already been purchased by / discounted with the bank by the customers. These trade bills arise out of supply of goods / services.

4. Securities issued by the Central and State Governments as may be permitted by RBI, securities guaranteed by the Central and State Governments (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills). Central Government securities are sovereign debt obligations of the Government of India with zero-risk of default and issued on its behalf by RBI. They form part of Government's annual borrowing programme and are used to fund the fiscal deficit along with other short term and long-term requirements. Such securities could be fixed rate, fixed interest rate with put/call option, zero coupon bond, floating rate bonds, capital indexed bonds, fixed interest security with staggered maturity payment etc. State Government securities are issued by the respective State Government in co-ordination with the RBI.

5. Treasury Bills (T-Bills) are issued by the Government of India to meet their short term borrowing requirements. T-Bills are issued for maturities of 91 days, 182 days and 364 days. T-bills are issued at a discount to their face value and redeemed at par.

6. Repos/reverse repos in Government Securities as may be permitted by RBI (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills). Repo (Repurchase Agreement) or Reverse Repo is a transaction in which two parties agree to sell and purchase the same security with an agreement to purchase or sell the same security at a mutually decided future date and price.

7. Debt obligations of domestic Government agencies and statutory bodies, which may or may not carry a Central/State Government guarantee – These are instruments which are issued by various government agencies and bodies. They can be issued at discount, par or premium.

8. Corporate debt and securities (of both public and private sector undertakings) including Bonds, Debentures, Notes, Strips etc. These are instruments issued by corporate entities for their business requirements. They are generally rated by credit rating agencies, higher the rating lower the risk of default.

9. Money market instruments permitted by SEBI/RBI, having maturities upto 91 days, in Collateralized Borrowing and Lending Obligations (CBLO/TREPs) market or in alternative money market instruments.

10. The non-convertible part of convertible securities – Convertible securities are securities which can be converted from Debt to Equity shares. The non-convertible part cannot be converted into Equity shares and work like a normal debt instrument.

The Scheme may invest in Non-Convertible Preference Shares (NCPS) be treated as debt instruments and hence investment restrictions as applicable on debt instruments shall be applicable to NCPSSs.

11. Investments in units of liquid mutual fund schemes – The Scheme may invest in units of liquid mutual fund schemes in conformity with the investment objective of the Scheme and in terms of the prevailing SEBI (MF) Regulations and in line with the disclosure made in this Scheme Information Document.

12. Securitised Debt Obligations - Securitization is a structured finance process which involves pooling and repackaging of cash-flow producing financial assets into securities that are then sold to investors. They are termed as Asset Backed Securities (ABS) or Mortgage Backed Securities (MBS). ABS are backed by other assets such as credit card, automobile or consumer loan receivables, retail installment loans or participations in pools of leases. MBS is an asset backed security whose cash flows are backed by the principal and interest payments of a set of mortgage loans. Such Mortgage could be either residential or commercial properties.

13. Pass through, Pay through or other Participation Certificates, representing interest in a pool assets including receivables. It represents beneficial interest in an underlying pool of cash flows. These cash flows represent dues against single or multiple loans originated by the sellers of these loans.

Investment / Risk Mitigation Strategy

i) Risk profile of securitised debt vis-à-vis risk appetite of the Scheme

Securitized debt is a form of conversion of normally non-tradable loans to transferable securities. This is done by assigning the loans to a special purpose vehicle (a trust), which in turn issues Pass Through Certificates (PTCs). These PTCs are transferable securities with fixed income characteristics. The risk of investing in securitized debt is similar to investing in debt securities. However, it differs in two respects.

- a. Typically, the liquidity of securitized debt is less than similar debt securities.
- b. For certain types of securitized debt (backed by mortgages, personal loans, credit card debt, etc.), there is an additional pre-payment risk. Pre-payment risk refers to the possibility that loans are repaid before they are due, which may reduce returns if the re-investment rates are lower than initially envisaged.

Because of these additional risks, securitized debt typically offers higher yields than debt securities of similar credit rating and maturity. If the fund manager judges that the additional risks are suitably compensated by the higher returns, he may invest in securitized debt up to the limits specified in the asset allocation.

ii) Policy relating to originators based on nature of originator, track record, NPAs, losses in earlier securitised debt, etc.

The originator is an entity (like banks, non-banking finance companies, corporates etc), which has initially provided the loan & is also generally responsible for servicing the loans. The schemes will invest in securitised debt of originators with at least investment grade credit rating and established track record. A detailed evaluation of originator is done before the investment is made in securitised debt of any originator on various parameters given below:

Track record

The investment in securitised debt is done based on origination and underwriting process and capabilities of the originator, overview of corporate structure, group to which they belong, experience of the company in the business, how long they have been in the business, financial condition of the company, credit rating, past performance of similar pools by the originator, etc.

Willingness to pay through credit enhancement facilities etc.

Credit enhancement is provided by the originator, as indicated by rating agencies, so as to adequately cover the defaults and acts as a risk mitigation measure. The size of the credit enhancement as indicated by rating agency depends on the originator's track record, past delinquencies, pattern of the portfolio & characteristics of the pool vis-a-vis of the portfolio, nature of the asset class.

Business Risk Assessment

The business risk assessment of originator / underlying borrower also includes detailed credit assessment wherein following factors are also considered:

- ★ Outlook for the economy (domestic and global)
- ★ Outlook for the industry
- ★ Company specific factors

Additionally, a detailed review of rating rationale is done along with interactions with the originator as well as the credit rating agency. All investment in securitised debt is done after taking into account points (with regard to originator) stated below:

- ★ Default track record/ frequent alteration of redemption conditions
- ★ High leverage ratios of the ultimate borrower both on a standalone basis as well on a consolidated level/ group level
- ★ Higher proportion of reschedulement of underlying assets of the pool or loan, as the case may be
- ★ Higher proportion of overdue assets of the pool or the underlying loan, as the case may be.

iii) Risk mitigation strategies for investments with each kind of originator

Investments are based on assessment of following parameters, to mitigate risk associated with such investment:

- a. Credit quality, size and reach of the originator
- b. Nature of receivables/asset category i.e. cars, commercial vehicles, personal loans etc.
- c. Collection process, infrastructure and follow-up mechanism
- d. Credit cum liquidity enhancement
- e. Asset Quality - portfolio delinquency levels
- f. Past performance of rated pools
- g. Pool Characteristics - seasoning, Loan-to-value ratios, geographic diversity etc.

iv) Minimum retention percentage by originator of debts to be securitised

While minimum retention percentage by originator is not prescribed, any amount retained by the originator through subordination is viewed positively at the time of making investment & generally varies from 5% to 10%.

v) The mechanism to tackle conflict of interest when the mutual fund invests in securitised debt of an originator and the originator in turn makes investments in that particular scheme of the fund.

All proposals for investment in securitised debt are evaluated by the analyst based on several parameters such as nature of underlying asset category, pool characteristics, asset quality, credit rating of the securitisation transaction, and credit cum liquidity enhancement available. Investment in securitised debt by the scheme is made by the fund manager in line with the investment objective of the scheme.

vi) Minimum retention period of the debt by originator prior to securitization

Issuance of securitized debt is governed by the Reserve Bank of India. RBI norms cover the "true sale" criteria including credit enhancement and liquidity enhancements. In addition, RBI has proposed minimum holding period before they can be securitized. The minimum holding period depends on the tenor of the securitization transaction. The Fund will invest in securitized debt that are compliant with the laws and regulations.

Note: The information contained herein is based on current market conditions and may change from time to time based on changes in such conditions, regulatory changes and other relevant factors. Accordingly, our investment strategy, risk mitigation measures and other information contained herein may change in response to the same.

Investment in debt instruments shall generally have a low risk profile and those in money market instruments shall have an even lower risk profile. The maturity profile of debt instruments will be selected in accordance with the AMC's view regarding current market conditions, interest rate outlook and the stability of ratings.

vii) The level of diversification with respect to the underlying assets, and risk mitigation measures for less diversified investments.

Diversification of underlying assets is achieved through a) prudent mix of asset categories - i.e. cars (new, used), commercial vehicles, construction equipment, unsecured loans to individuals or small & medium enterprises b) total number of contracts in a pool c) average ticket size of loans and d) geographical distribution.

Risk mitigation measures for less diversified investments in pools is accomplished through the size of credit enhancement, seasoning or loan to value ratios.

Illustrative framework, which will be applied while evaluating investment decision relating to a pool securitisation transaction:

Characteristics/ Type of Pool	Mortgage Loan	Commercial Vehicle and Construction Equipment	Car	Two Wheelers	Micro Finance Pools	Personal Loans	Single Sell Downs	Others
Approximate Average Maturity (In Months)	Up to 10 years	Upto 5 years	Upto 5 years	Upto 3 years	Upto 80 weeks	Upto 3 years	Refer Note A	Refer Note B
Collateral margin (Including cash, guarantees, excess interest spread, Subordinate tranche)	>5%	>5%	>4%	>4%	>4%	>4%		
Average Loan to Value Ratio	<90%	<90%	<90%	<90%	Unsecured	Unsecured		
Average seasoning of the pool	>3 months	>3 months	>3 months	>3 months	>3 months	>3 months		
Maximum single exposure range	<5%	<7%	Retail	Retail	Retail	Retail		

Average single exposure range %	<5%	<5%	Retail	Retail	Retail	Retail		
---------------------------------	-----	-----	--------	--------	--------	--------	--	--

Information in the table above is based on current scenario and is subject to change depending upon the change in related factors.

Notes:

A. In case of securitised debt with underlying being single loan, the investment limit applicable to the underlying borrower is considered.

B. Other investment will be decided on a case to case basis. In case of asset backed pools (ABS), evaluation of the pool assets is done considering the following factors: (Refer the table above which illustrates the averages of parameters considered while selecting the pool)

- Size of the loan
- Average original maturity of the pool
- Loan to Value Ratio
- Average seasoning of the pool
- Default rate distribution
- Geographical Distribution
- Credit enhancement facility
- Liquid facility
- Structure of the pool

15. Trading in Derivatives- Debt Derivative instruments like Interest Rate Swaps, Forward Rate Agreements and such other derivative instruments permitted by SEBI/RBI.

Interest Rate Swap - An Interest Rate Swap ("IRS") is a financial contract between two parties exchanging or swapping a stream of interest payments for a "notional principal" amount on multiple occasions during a specified period. Such contracts generally involve exchange of a "fixed to floating" or "floating to fixed" rate of interest. Accordingly, on each payment date that occurs during the swap period, cash payments based on fixed/ floating and floating rates are made by the parties to one another.

Forward Rate Agreement - A Forward Rate Agreement ("FRA") is a financial contract between two parties to exchange interest payments for a notional principal amount on settlement date, for a specified period from start date to maturity date. Accordingly, on the settlement date, cash payments based on contract (fixed) and the settlement rate, are made by the parties to one another. The settlement rate is the agreed benchmark/ reference rate prevailing on the settlement date.

Interest Rate Futures:

A futures contract is a standardized, legally binding agreement to buy or sell a commodity or a financial instrument in a designated future month at a market determined price (the futures price) by the buyer and seller. The contracts are traded on a futures exchange. An Interest Rate Future is a futures contract with an interest-bearing instrument as the underlying asset.

Characteristics of Interest Rate Futures

1. Obligation to buy or sell a bond at a future date.
2. Standardized contract.
3. Exchange traded
4. Physical/Cash settlement.
5. Daily mark to market.

The Scheme(s) may take derivatives position based on the opportunities available subject to the guidelines provided by SEBI from time to time and in line with the overall investment objective of the Scheme(s). The Fund has to comply with the prescribed disclosure requirements. These may be taken to hedge the portfolio, rebalance the same or to undertake any other strategy as permitted under SEBI (MF) Regulations from time to time. Hedging does not mean maximisation of returns but only reduction of systematic or market risk inherent in the investment. The Scheme(s) intends to take position in derivative instruments like Futures, Options, Interest Rate Swaps, Forward Rate Agreements and such other derivative instruments as may be permitted by SEBI from time to time.

Mutual Funds may enter into plain vanilla Interest Rate Swaps (IRS) for hedging purposes. The value of the notional principal in such cases must not exceed the value of respective existing assets being hedged by the scheme.

In case of participation in IRS is through over the counter transactions, the counter party has to be an entity recognized as a market maker by RBI and exposure to a single counterparty in such transactions should not exceed 10% of the net assets of the scheme. However, if mutual funds are transacting in IRS through an electronic trading platform offered by the Clearing Corporation of India Ltd. (CCIL) and CCIL is the central counterparty for such transactions guaranteeing settlement, the single counterparty limit of 10% shall not be applicable .

Any other like instruments as may be permitted by RBI/SEBI/ such other Regulatory Authority from time to time subject to approvals required, if any.

Investments in Debt and Money Market Instruments will be as per the limits specified in the asset allocation table of the Scheme, subject to permissible limits laid under SEBI (MF) Regulations.

The securities / instruments mentioned above and such other securities the Scheme is permitted to invest, it could be listed, unlisted, privately placed, secured, unsecured, rated or unrated.

The securities may be acquired through initial public offering (IPOs), secondary market, private placement, rights offer, negotiated deals. Further investments in debentures, bonds and other fixed income securities will be in instruments which have been assigned investment grade rating by the Credit Rating Agency.

Investment in unrated debt instruments shall be subject to complying with the provisions of the Regulations and within the limit as specified in Schedule VII to the Regulations. Pursuant to SEBI Circular No. MFD/CIR/9/120/2000 dated November 24, 2000, the AMC may constitute committee(s) to approve proposals for investments in unrated debt instruments. The AMC Board and the Trustee shall approve the detailed parameters for such investments. However, in case any unrated debt security does not fall under the parameters, the prior approval of Board of AMC and Trustee shall be sought.

The Scheme may invest in other schemes managed by the AMC or in the schemes of any other mutual funds, provided it is in conformity with the investment objectives of the Scheme and in terms of the prevailing SEBI (MF) Regulations. As per the SEBI (MF) Regulations, no investment management fees will be charged for such investments and the aggregate inter scheme investment made by all the schemes of PPFAS Mutual Fund or in the schemes of other mutual funds shall not exceed 5% of the net asset value of the PPFAS Mutual Fund.

For applicable regulatory investment limits please refer paragraph "Investment Restrictions". Details of various derivative strategies/examples of use of derivatives have been provided under the section "Strategies for Investment in Derivatives".

The Fund Manager reserves the right to invest in such securities as maybe permitted from time to time and which are in line with the investment objectives of the Scheme.

E. WHAT ARE THE INVESTMENT STRATEGIES?

INVESTMENT STRATEGIES AND RISK CONTROL

Investment in Debt securities and Money Market Instruments will be as per the limits in the asset allocation table of the Scheme, subject to permissible limits laid under SEBI (MF) Regulations.

To achieve the investment objective of the Scheme, the Fund shall be managed to generate reasonable returns commensurate with low risk. The Scheme is positioned at the lowest level of risk-return matrix, which will be the guiding line to make suitable investments with low risk.

The Scheme will invest predominantly in money market securities with some allocation towards other debt securities to enhance the portfolio return. The portfolio, for managing the liquidity will be structured using the matrix of asset liability management whereby maturity of the assets will seek to align with historical observed trends of liabilities. The Scheme will seek to generate reasonable return along with maintaining liquidity with the help of cash and cash equivalent instruments.

The fund manager will seek to play out the yield curve and exploit anomalies if any in portfolio construction after analysing the macro-economic environment including future course of system liquidity, interest rates and inflation along with other considerations in the economy and markets.

The investment team of the AMC will, as a mitigation and risk control procedure, carry out rigorous credit evaluation of the issuer company proposed to be invested in. The credit evaluation will analyse the operating environment of the issuer, business model, management, governance practices, quality of the financials, the past track record as well as the future prospects of the issuer and the financial health of the issuer.

Though every endeavour will be made to achieve the objectives of the Scheme, the AMC/Sponsor/Trustees do not guarantee that the investment objectives of the Scheme will be achieved. No guaranteed returns are being offered under the Scheme.

Risk Control

Risk is an inherent part of the investment function. Effective risk management is critical to fund management for achieving financial soundness. Since investing requires disciplined risk management, the AMC would incorporate adequate safeguards for controlling risks in the portfolio construction process. The risk control process involves reducing risks through portfolio diversification; The AMC believes that this diversification would help achieve the desired level of consistency in returns. The AMC aims to identify securities, which offer superior levels of yield at lower levels of risks. With the aim of controlling risks, rigorous in-depth credit evaluation of the securities proposed to be invested in will be carried out by the investment team of the AMC. Risk control would involve managing risk in order to keep it in line with the investment objective of the Scheme. AMC has implemented the MFUND Plus Software as Front Office System (FOS) for this purpose. The system has incorporated all the investment restrictions as per SEBI guidelines and “soft” warning alerts at appropriate levels for preemptive monitoring.

Credit Evaluation Policy

The AMC utilises ratings of recognised rating agencies as an input in the credit evaluation process. Investments in bonds and debenture are usually in instruments that have been assigned high investment grade ratings by a recognised rating agency.

Strategies for Investment in Derivatives

The Scheme may use Derivative instruments like interest rate swaps, Overnight Indexed Swaps (“OIS”), forward rate agreements, interest rate futures (as and when permitted) or such other Derivative instruments as may be permitted under the applicable regulations. Derivatives will be used for the purpose of hedging, and portfolio balancing or such other purpose as may be permitted under the regulations and Guidelines from time to time.

The Fund will be allowed to take exposure in interest rate swaps only on a non-leveraged basis. A swap will be undertaken only if there is an underlying asset in the portfolio. In terms of Circular No. MFD.BC.191/07.01.279/1999-

2000 and MPD.BC.187/07.01.279/1999-2000 dated November 1, 1999 and July 7, 1999 respectively issued by RBI permitting participation by Mutual Funds in interest rate swaps and forward rate agreements, the Fund will use Derivative instruments for the purpose of hedging and portfolio balancing. The Fund may also use derivatives for such purposes as maybe permitted from time to time. Further, the guidelines issued by RBI from time to time for forward rate agreements and interest rate swaps and other derivative products would be adhered to by the Mutual Fund.

IRS and FRA do also have inherent credit and settlement risks. However, these risks are substantially reduced as they are limited to the interest streams and not the notional principal amounts.

Investments in Derivatives will be in accordance with the extant Regulations / guidelines. Presently Derivatives shall be used for hedging and / or portfolio balancing purposes, as permitted under the Regulations. The circumstances under which such transactions would be entered into would be when, for example using the IRS route it is possible to generate better returns / meet the objective of the Scheme at a lower cost. e.g. if buying a 2 Yr FBIL Mibor based instrument and receiving the 2 Yr swap rate yields better return than the 2 Yr AAA corporate, the Scheme would endeavour to do that. Alternatively, the Scheme would also look to hedge existing fixed rate positions if the view on interest rates is that it would likely rise in the future.

The following information provides a basic idea as to the nature of the Derivative instruments proposed to be used by the Fund and the benefits and risks attached therewith. Please note that the examples have been given for illustration purposes only.

Interest Rate Swaps (IRS)

The Indian markets have faced high volatility in debt markets. An interest rate swap is a contractual agreement between two counter-parties to exchange streams of interest amount on a notional principal basis. In this, one party agrees to pay a fixed stream of interest amount against receiving a variable or floating stream of interest amount. The variable or floating part is determined on a periodical basis.

Mutual Funds may enter into plain vanilla interest rate swaps for hedging purposes. The counter party in such transactions has to be an entity recognized as a market maker by RBI. Further, the value of the notional principal in such cases must not exceed the value of respective existing assets being hedged by the scheme.

Example

Entity A has a Rs.50 crores, 3-month asset which is being funded through call. Entity B, on the other hand, has deployed in overnight call money market Rs.50 crores, 3-month liability. Both the entities are taking on an interest rate risk.

To hedge against the interest rate risk, both the entities can enter into a 3-month swap agreement based on say FBIL MIBOR (Financial Benchmarks India Private Limited , Mumbai Inter Bank Offered Rate). Through this swap, entity B will receive a fixed pre-agreed rate (say 7%) and pay FBIL MIBOR ("the benchmark rate") which will neutralize the interest rate risk of lending in call. Similarly, entity A will neutralize its interest rate risk from call borrowing as it will pay 8% and receive interest at the benchmark rate.

Assuming the swap is for Rs.50 crores 1 January to 1 April, Entity A is a floating rate receiver at the overnight compounded rate and Entity B is a fixed rate receiver. On a daily basis, the benchmark rate fixed by NSE will be tracked by them.

On April 1, they will calculate as explained below:

Entity A is entitled to receive daily compounded call rate for 91 days and pay 7% fixed.

Entity B is entitled to receive interest on Rs.50 crores @ 7% i.e. Rs. 87.26 lakhs, and pay the compounded benchmark rate.

Thus on December 1, if the total interest on the daily overnight compounded benchmark rate is higher than Rs. 87.26 lakhs, entity B will pay entity A the difference and vice versa.

The above example illustrates the use of Derivatives for hedging and optimizing the investment portfolio. Swaps have their own drawbacks like credit risk, settlement risk. However, these risks are substantially reduced as the amount involved is interest streams and not principal.

Forward Rate Agreements (FRA)

A FRA is referred to by the beginning and end dates of the period covered in the transaction. A 2x5 FRA means the 3 month rate starting 2 months from now.

For example, a corporate has a three month fixed liability three months from now. To meet this liability the company enters into a 3x6 FRA where it receives 7.25% for 100 crore and fixes the interest cost for the 3-6 months period. If the actual three month rate three months from now is 7% the corporate has gained 25 bps through interest cost. As the settlement is done at the beginning of the period, the net present value of the savings needs to be calculated using the 3 month rate as the discount rate.

Interest savings = INR 100 crores * 25 bps * 92/365 (assuming 92 days in the 3 month period and 365 days for the year) = INR 6,30,137/-

Settlement Amount = INR 6,30,137 / (1 + 7%*92/365) = INR 6,19,212/-

Interest Rate Futures:

Assume that ABC hold GOI securities, hence is exposed to the risk of rising interest rates, which in turn results in the reduction in the value of their portfolio. So in order to protect against a fall in the value of their portfolio due to falling bond prices, they can take short position in IRF contracts.

Example:

Date: 01-April-2017

Spot price of GOI Security: Rs 100.05

Futures price of IRF Contract: Rs 100.12

On 01-April-2017 ABC bought 2000 GOI securities from spot market at Rs 100.05. He anticipates that the interest rate will rise in near future. Therefore, to hedge the exposure in underlying market he may sell May 2017 Interest Rate Futures contracts at Rs. 100.12.

On 16-May-2017 due to increase in interest rate:

Spot price of GOI Security: Rs 99.24

Futures Price of IRF Contract: Rs 99.28

Loss in underlying market will be (99.24 - 100.05) * 2000 = Rs. 1620/-

Profit in the Futures market will be (99.28 - 100.12) * 2000 = Rs. 1680/-

Certain risks are inherent to Derivative strategies viz. lack of opportunities, inability of Derivatives to correlate perfectly with the underlying and execution risks, whereby the rate seen on the screen may not be the rate at which the transaction is executed. For details of risk factors relating to use of Derivatives, the investors are advised to refer to Scheme Specific Risk Factors.

Risk Factors of SWAP/ Forward Rate Agreement/ Interest Rate Futures

- **Credit Risk:** This is the risk of defaults by the counterparty. This is usually negligible, as there is no exchange of principal amounts in a derivative transaction.
- **Market Risk:** Market movements may adversely affect the pricing and settlement derivatives.
- **Liquidity Risk:** The risk that a derivative cannot be sold or purchased quickly enough at a fair price, due to lack of liquidity in the market.

PORTFOLIO TURNOVER

The Scheme being an open-ended Scheme, it is expected that there would be a number of Subscriptions and Redemptions on a daily basis. Further, in the debt market, trading opportunities may arise due to changes in system liquidity, interest rate policy announced by RBI, shifts in the yield curve, credit rating changes or any other factors. In the opinion of the fund manager these opportunities can be played out to enhance the total return of the portfolio, which will result in increase in portfolio turnover. There may be an increase in transaction cost such as brokerage paid, if trading is done frequently. However, the cost would be negligible as compared to the total expenses of the Scheme.

Frequent trading may increase the profits which will offset the increase in costs. The fund manager will endeavour to optimize portfolio turnover to maximize gains and minimize risks keeping in mind the cost associated with it. However, it is difficult to estimate with reasonable accuracy, the likely turnover in the portfolio of the Scheme. The Scheme has no specific target relating to portfolio turnover.

INVESTMENT DECISIONS

The Fund Manager of the Scheme is responsible for making buy / sell decisions for the Scheme's portfolio and will seek to develop a reasonably diversified portfolio that minimizes liquidity and credit risk. The investment decisions will be taken by the Scheme keeping in view the investment objective of the Scheme, market conditions and all the relevant aspects.

The AMC will formulate broad investment strategies for the Scheme including investments in unrated debt instruments, reviewing performance of the Scheme and general market outlook. The approval of unrated debt instruments will be based on detailed parameters laid down by the Board of the AMC and the Trustees. The details of such investments will be communicated by the AMC to the Trustees in their periodical reports along with a disclosure regarding how the parameters have been complied with. Such reporting shall be in the manner prescribed by SEBI from time to time. The AMC will review all the investments made by the Scheme.

It is the responsibility of the AMC to seek to ensure that the investments are made as per the Regulatory guidelines, the investment objectives of the Scheme and in the interest of the Unit holders of the Scheme.

The AMC will keep a record of all investment decisions in accordance with the guidelines issued by SEBI. The Fund Manager shall seek to ensure that the funds of the Scheme are invested in line with the Regulatory guidelines, the investment objective of the Scheme and in the interest of the Unit holders of the Scheme.

Investment decisions are taken by the fund manager of the Scheme(s) and the CEO does not play any role in the day-to-day investment decisions. The CEO of the AMC shall ensure that the investments made by the fund managers are in the interest of the Unit holders.

Periodic presentations will be made to the Board of Directors of the AMC and Trustee Company to review the performance of the Scheme.

INVESTMENT BY THE AMC/ SPONSOR IN THE SCHEME

- The consent or approval of unitholders can also be done through Postal Ballot mechanism i.e. voting by post or through any electronic mode.

- The Unit holders are given an option for a period of 30 days to exit at the prevailing Net Asset Value without any Exit Load.

G. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?

CRISIL Liquid Fund Index.

Justification for use of benchmark

A benchmark of a fund reflects the funds risk/return profile and is a measure for performance evaluation. The Scheme intends to invest in a portfolio of securities and the risk/return profile which is best captured by the following selected benchmark.

CRISIL Liquid Fund Index developed by CRISIL, fulfills the above criteria and hence is considered best suited as a benchmark for the Scheme for performance evaluation.

The constituents and weights of CRISIL Liquid Fund Index are as under:

Constituents	Weights (applicable with effect from April 2021)
CRISIL Overnight Index	15%
CRISIL upto 91 Day CD Index	10%
CRISIL upto 91 Day CP Index	55%
CRISIL T-Bill Index	20%

The Trustees reserves the right to change the benchmark for evaluation of performance of the Scheme from time to time in conformity with the investment objectives and appropriateness of the benchmark subject to SEBI (Mutual Funds) Regulations, and other prevailing guidelines, if any.

I. WHAT ARE THE INVESTMENT RESTRICTIONS?

Pursuant to SEBI (Mutual Funds) Regulations, the following investment restrictions are applicable to the Scheme:

1.The Scheme shall not invest more than 10% of its NAV in debt instruments comprising money market instruments and non-money market instruments issued by a single issuer, which are rated not below investment grade by a credit rating agency authorised to carry out such activities under the SEBI Act, 1992. Such investment limit may be extended to 12% of the NAV of the Scheme with the prior approval of the Board of Trustee and the Board of AMC.

Such limit shall not be applicable for investment in Government Securities, Treasury bills and Tri Party Repo (TREPS). Investments within such limit can be made in the mortgaged backed securitised debt, which are rated not below investment grade by a credit rating agency, registered with SEBI.

2.The Scheme shall not invest in unlisted debt instruments including commercial papers, except Government Securities and other money market instruments.

Provided that the Scheme may invest in unlisted non-convertible debentures up to a maximum of 10% of the debt portfolio of the scheme subject to such conditions as may be specified by the Board from time to time

The scheme shall comply with the norms under this clause within the time and in the manner as may be specified by SEBI.

The investment in unrated debt and money market instruments shall be as per the norms specified by SEBI from time to time.

Further, the Scheme shall comply with provisions of SEBI Circular No. SEBI/HO/IMD/DF2/ CIR/P/ 2019/104 dated October 1, 2019 regarding investment in Debt and Money Market Instruments, as amended from time to time, to the extent applicable to the Scheme.

3.The Scheme may invest in other schemes of the Mutual Fund or any other mutual fund without charging any fees, provided the aggregate inter-scheme investment made by all the schemes under the same management or in schemes under the management of any other asset management company shall not exceed 5% of the Net Asset Value of the Fund.

4.The Scheme shall not make any investment in,—

- Any unlisted security of an associate or group company of the Sponsor; or
- Any security issued by way of private placement by an associate or group company of the Sponsor; or
- The listed securities of group companies of the Sponsor which is in excess of 25 percent of the net assets of the Scheme.

5.Transfer of investments from one scheme to another scheme in the Mutual Fund is permitted provided:

- Such transfers are done at the prevailing market price for quoted instruments on Spot Basis (Spot Basis shall have the same meaning as specified by a stock exchange for spot transactions) and in line with the process laid down under the Valuation Policy of the Mutual Fund; and
- The Securities so transferred shall be in conformity with the investment objective of the Scheme to which such transfer has been made.

Inter Scheme Transfers are to be effected in accordance with the guidelines specified by SEBI circular No. SEBI/ HO/ IMD/DF4/CIR/P/2020/202 dated October 08, 2020 as amended from time to time.

6.The Mutual Fund shall get the securities purchased transferred in the name of the Fund on account of the concerned Scheme, wherever investments are intended to be of a long-term nature.

7.The Mutual Fund shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relevant securities and in all cases of sale, deliver the securities. Provided further that the Mutual Fund may enter into derivatives transactions in a recognised stock exchange, subject to the framework specified by SEBI.

Provided further that sale of government security already contracted for purchase shall be permitted in accordance

with the guidelines issued by the Reserve Bank of India in this regard.

8. The Scheme shall not make any investment in any fund of funds scheme.

9. Save as otherwise expressly provided under SEBI (Mutual Funds) Regulations, 1996, the Scheme shall not advance any loans.

10. The Fund shall not borrow except to meet temporary liquidity needs of the Fund for the purpose of repurchase/redemption of Units or payment of interest and/or dividend to the Unit holders.

Provided that the Fund shall not borrow more than 20% of the net assets of the individual Scheme and the duration of the borrowing shall not exceed a period of 6 months.

11. SEBI vide its circular no. Cir/IMD/DF/11/2010 dated August 18, 2010 has prescribed the following investment restrictions with respect to investment in derivatives:

a. The cumulative gross exposure through equity, debt, derivative positions (including commodity and fixed income derivatives), repo transactions and credit default swaps in corporate debt securities, Real Estate Investment Trusts (REITs), Infrastructure Investment Trusts (InvITs), other permitted securities/assets and such other securities/assets as may be permitted by the Board from time to time should not exceed 100% of the net assets of the scheme. Cash or cash equivalents with residual maturity of less than 91 days may be treated as not creating any exposure.

b. Mutual Fund shall not write options or purchase instruments with embedded written options.

c. The total exposure related to option premium paid must not exceed 20% of the net assets of the Scheme.

d. Exposure due to hedging positions may not be included in the above mentioned limits subject to the following:-

- Hedging positions are the derivative positions that reduce possible losses on an existing position in securities and till the existing position remains;
- Hedging positions cannot be taken for existing derivative positions. Exposure due to such positions shall have to be added and treated under limits mentioned in Point (a) above.
- Any derivative instrument used to hedge has the same underlying security as the existing position being hedged.
- The quantity of underlying associated with the derivative position taken for hedging purposes does not exceed the quantity of the existing position against which hedge has been taken.

e. Mutual Fund may enter into plain vanilla interest rate swaps for hedging purposes. The counterparty in such transactions has to be an entity recognized as a market maker by RBI. Further, the value of the notional principal in such cases must not exceed the value of respective existing assets being hedged by the Scheme. Exposure to a single counterparty in such transactions should not exceed 10% of the net assets of the Scheme.

f. Exposure due to derivative positions taken for hedging purposes in excess of the underlying position against which the hedging position has been taken, shall be treated under the limits mentioned in Point (a) above.

12. The total exposure of the Scheme in a particular sector (excluding investments in Bank CDs, TREPS, G-Secs, T-Bills, short term deposits of scheduled commercial banks and AAA rated securities issued by Public Financial Institutions and Public Sector Banks) shall not exceed 20% of the net assets of the Scheme.

Further an additional exposure to financial services sector (over and above the limit of 20%) not exceeding 10% of the net assets of the Scheme will be allowed by way of increase in exposure to AA and above rated securities issued by Housing Finance Companies (HFCs) registered with National Housing Bank.

Further, an additional exposure of 5% of the net assets of the scheme will be allowed for investments in securitized debt instruments based on retail housing loan portfolio and/or affordable housing loan portfolio. The total investment/exposure in HFCs will not exceed 20% of the net assets of the Scheme.

13. The Scheme's total exposure in a group (excluding investments in securities issued by Public Sector Units, Public

Financial Institutions and Public Sector Banks) shall not exceed 20% of the net assets of the Scheme. Such investment limit may be extended to 25% of the net assets of the Scheme with the prior approval of the Board of Trustee.

Further, limit for investment in debt and money market instruments of group companies of both the sponsor and AMC shall not exceed 10% of the net assets of the Scheme. Such investment limit can be extended to 15% with the prior approval of the Board of Trustees.

For this purpose, a group means a group as defined under regulation 2 (mm) of the Regulations and shall include an entity, its subsidiaries, fellow subsidiaries, its holding company and its associates.

14. The Scheme shall not park its funds which are pending for deployment in short term deposits of scheduled commercial banks.

15. The Scheme shall not invest in debt securities having structured obligations (SO rating) and/ or credit enhancements (CE rating). However, debt securities with government guarantee shall be excluded from the restriction as follows:.

The investment by the Scheme in the following instruments shall not exceed 10% of the debt portfolio of the scheme and the group exposure in such instruments shall not exceed 5% of the debt portfolio of the scheme:

- a. Unsupported rating of debt instruments (i.e. without factoring-in credit enhancements) is below investment grade and
- b. Supported rating of debt instruments (i.e. after factoring-in credit enhancement) is above investment grade.

These limits shall not be applicable on investments in securitized debt instruments, as defined in SEBI (Public Offer and Listing of Securitized Debt Instruments) Regulations 2008.

16. Investment in debt instruments, having credit enhancements backed by equity shares directly or indirectly, shall have a minimum cover of 4 times considering the market value of such shares.

17. The Scheme shall hold at least 20% of its net assets in liquid assets. For this purpose, 'liquid assets' shall include Cash, Government Securities, T-bills and Repo on Government Securities.

18. Mutual Fund Schemes shall invest in debt instruments with special features subject to following prudential investment norms as mentioned below:

- i. No Mutual Fund under all its schemes shall own more than 10% of such instruments issued by a single issuer.
- ii. A Mutual Fund scheme shall not invest –
 - a. more than 10% of its NAV of the debt portfolio of the scheme in such instruments; and
 - b. more than 5% of its NAV of the debt portfolio of the scheme in such instruments issued by a single issuer.

The above investment limit for a mutual fund scheme shall be within the overall limit for debt instruments issued by a single issuer, as specified at clause 1 of the Seventh Schedule of SEBI (Mutual Fund) Regulations, 1996, and other prudential limits with respect to the debt instruments.

In case, the exposure in such liquid assets falls below 20% of net assets of the Scheme, the AMC shall ensure compliance with the above requirement before making any further investments.

All the investment restrictions will be applicable at the time of making investments.

The AMC/Trustee may alter these above stated restrictions from time to time to the extent the Regulations change, so as to permit the Scheme to make its investments in the full spectrum of permitted investments for mutual funds to achieve its respective investment objective.

The Trustee/AMC reserves the right to change the record date from time to time.

Default Plan

Investors subscribing under Direct Plan of the Scheme will have to indicate "Direct Plan" against the Scheme name in the application form. However, if distributor code is mentioned in application form, but "Direct Plan" is mentioned against the Scheme name, the distributor code will be ignored and the application will be processed under "Direct Plan". Further, where application is received for Regular Plan without Distributor code or "Direct" mentioned in the ARN Column, the application will be processed under Direct Plan.

The below table summarizes the procedures which would be adopted by the AMC for applicability of Direct Plan / Regular Plan, while processing application form/transaction request under different scenarios:

	Sr. No.	AMFI Registration Number (ARN) code mentioned/ not mentioned in the application form / transaction request	Plan as selected in the application form/ transaction request	Transaction shall be processed and Units shall be allotted under
	1	Not mentioned	Not mentioned	Direct Plan
	2	Not mentioned	Direct	Direct Plan
	3	Not mentioned	Regular	Direct Plan
	4	Mentioned	Direct	Direct Plan
	5	Direct	Not mentioned	Direct Plan
	6	Direct	Regular	Direct Plan
	7	Mentioned	Regular	Regular Plan
	8	Mentioned	Not mentioned	Regular Plan
<p>In cases of wrong/ invalid/ incomplete ARN codes mentioned on the application form, the application shall be processed under Regular Plan. The AMC/RTA shall endeavour to contact the investor/distributor and obtain the correct ARN code within 30 calendar days of the receipt of the application form from the investor/distributor. In case, the correct code is not received within 30 calendar days, the AMC shall reprocess the transaction under Direct Plan from the date of application without any exit load.</p> <p>Default Option: Growth Default Dividend Frequency- Daily Re-Investment of IDCW Option</p> <p>I) Growth Option: The Mutual Fund will not declare any dividends under this option. The income earned under this Option will remain invested in the option and will be reflected in the NAV. This option is suitable for investors who are not looking for current income but who have invested with the intention of capital appreciation.</p> <p>II) Income Distribution cum capital withdrawal Option (IDCW): Under this option, dividends will be declared at periodic intervals at the discretion of the Trustees, subject to availability of distributable surplus calculated in accordance with SEBI (MF) Regulations. On payment of dividend, the NAV of the Units under dividend option will</p>				

	<p>fall to the extent of the dividend payout and applicable statutory levies, if any.</p> <p>IDCW Option offers Daily, Weekly and Monthly Re-investment and Monthly Payout facility</p> <p>It must be distinctly understood that the actual declaration of dividend and frequency thereof is at the sole discretion of Board of Trustee. There is no assurance or guarantee to the Unit holders as to the rate of dividend distribution nor that the dividend will be paid regularly. The Trustee reserves the right to declare a dividend at any other frequency in addition to the frequencies mentioned above.</p> <p>IDCW Re-investment Facility: Under this facility, the dividend due and payable to the Unit holders will be compulsorily and without any further act by the Unit holder, reinvested in the dividend option at a price based on the prevailing ex-dividend Net Asset Value per Unit on the record date. The amount of dividend re-invested will be net of tax deducted at source, wherever applicable. The dividends so reinvested shall constitute an actual payment of dividends to the Unit holders and an actual receipt of the same amount from each Unit holder for re-investment in Units.</p> <p>On re-investment of dividends, the number of Units to the credit of Unit holder will increase to the extent of the dividend reinvested divided by the Applicable NAV.</p> <p>As and when the payable dividend amount is less than or equal to Rs. 500/-, the same will be compulsorily reinvested in the respective Plan(s)/Option(s) of the Scheme irrespective of the dividend facility selected by investor. If the dividend amount payable is greater than Rs. 500/- then it will be either reinvested or paid as per the mandate selected by the investor.</p> <p>IDCW Payout: Dividends, if declared, will be paid (subject to deduction of tax at source, if any) to those Unitholders / Beneficial Owners whose names appear in the Register of Unit holders maintained by the Mutual Fund/ statement of beneficial ownership maintained by the Depositories, as applicable, on the notified record date.</p> <p>There shall, however, be no Load(s) (if any) on the dividend so reinvested.</p> <p>For details on taxation of dividend, please refer the SAI.</p> <p>Notes: a. An investor on record for the purpose of dividend distributions is an investor who is a Unit Holder as of the Record Date. In order to be a Unit Holder, an investor has to be allocated Units representing receipt of clear funds by the Scheme. b. Investors should indicate the name of the Plan and/or Option, clearly in the application form. In case of valid applications received, without indicating the Plan and/or Option etc. or where the details regarding Option are not clear or ambiguous, the default options as mentioned above, will be applied.</p> <p>Investors shall note that once Units are allotted, AMC shall not entertain requests regarding change of Option, with a retrospective effect.</p>

	<p>The Trustees reserve the right to offer dividend to the investors under this option which in the opinion of the Trustees is in the best interest of the unit-holder.</p> <p>The AMC, in consultation with the Trustee reserves the right to discontinue/ add more options/facilities at a later date subject to complying with the prevailing SEBI guidelines and Regulations.</p>
Dividend Policy	<p>Under the IDCW option, the Trustee will have discretion to declare the dividend, subject to availability of distributable surplus calculated in accordance with the Regulations. The actual declaration of Dividend and frequency will inter-alia, depend on availability of distributable surplus calculated in accordance with SEBI (MF) Regulations and the decisions of the Trustee shall be final in this regard. There is no assurance or guarantee to the Unitholder as to the rate of Dividend nor that will the Dividend be paid regularly.</p> <p>The AMC/Trustee reserves the right to change the frequency of declaration of Dividend or may provide additional frequency for Declaration of Dividend.</p> <p>Dividend Distribution Procedure: In accordance with SEBI Circular no. SEBI/ IMD/ Cir No. 1/64057/06 dated April 4, 2006, the procedure for Dividend distribution would be as under:</p> <ol style="list-style-type: none"> 1. Quantum of Dividend and the record date will be fixed by the Trustee. Dividend so decided shall be paid, subject to availability of distributable surplus. 2. Within one calendar day of decision by the Trustees, the AMC shall issue notice to the public communicating the decision including the record date. The record date shall be 5 calendar days from the date of publication in atleast one English newspaper or in a newspaper published in the language of the region where the head office of the Mutual Fund is situated, whichever is issued earlier. 3. Record date shall be the date, which will be considered for the purpose of determining the eligibility of Unitholders whose names appear on the register of Unitholder for receiving Dividends. The Record Date will be 5 calendar days from the date of issue of public notice. 4. The notice will, in font size 10, bold, categorically state that pursuant to payment of Dividend, the NAV of the Scheme would fall to the extent of payout and statutory levy (if applicable). 5. The NAV will be adjusted to the extent of Dividend distribution and statutory levy, if any, at the close of Business Hours on record date. 6. Before the issue of such notice, no communication indicating the probable date of Dividend declaration in any manner whatsoever will be issued by Mutual Fund. <p>The requirement of giving public notice shall not be applicable for dividend options having frequency ranging from daily up to monthly distribution.</p>

Notice of such discontinuance should be received at least 30 days prior to the due date of the next debit. On receipt of such request, the SIP facility will be terminated. It is clarified that if the Fund fails to get the proceeds for three consecutive Installments (due to non-availability of funds) out of a continuous series of Installments submitted at the time of initiating a SIP), the AMC reserves the right to discontinue the SIP.</p> <p>An investor can also invest in the Scheme through SIP Facility through the Stock Exchange mechanism as such SIP frequency available under the Stock Exchange mechanism from time to time.</p> <p>ii)Systematic Investment Plan (SIP) Top-UP Facility:</p> <p>It is a facility wherein an investor who is enrolling for SIP has an option to increase the amount of the SIP installment by a fixed amount at pre-defined intervals. Thus, an investor can progressively start increasing the amount invested, allowing them to gradually increase the investment corpus in a systematic manner. The salient features of this facility are as follows:</p> <ol style="list-style-type: none"> 1. New investors can opt for it at the time of initiating the SIP. Existing unitholders can opt for it at the time of SIP renewal. 2. Investor can opt for an amount-based Cap whereby they can choose the amount from which the top-ups will cease (even though the SIP will continue at this final amount till the expiry date). In case the top-up amount-based cap is not chosen, the top-up will occur at the chosen frequency (half-yearly /yearly) until the SIP expiry date (Please refer to illustrations 1 - A and 2 - A below) 3. The amount of each such SIP installment cannot exceed the Daily One Time Mandate (OTM) limit for purchases in scheme(s) of PPFAS Mutual Fund from all modes (lump sum as well as SIP). In case of any conflict, such SIP installment will have precedence over any lump sum
--	---

purchases undertaken on that day. Any lumpsum purchase exceeding the OTM limit will be reversed within three working days of the relevant intimation received from the unitholder's bank.

4. Minimum Top-up Amount for the said facility will be Rs. 500/- & in multiple of Re. 1/- thereafter. Forms where a specific amount is not clearly mentioned are liable to be rejected.

5. Frequency for the Top up facility: Investors can choose either 'Half-Yearly' or 'Yearly' Top-Up increments under Monthly SIP options. In case SIP Top-Up frequency is not mentioned, the default frequency will be considered as 'Yearly' for monthly SIP.

6. The facility is available only for the investors who submit "NACH / One Time Mandate (OTM) Form" mentioning the 'Maximum Amount'. This will limit the total investment to the pre-determined 'maximum amount'.

7. Once the SIP Top-Up upper limit is reached, the Top-Up will be discontinued. However, the SIP will continue at this upper limit for the remaining SIP enrollment period (subject to it not exceeding the daily OTM limit). For further clarification, please refer the illustrations as mentioned below.

8. The initial investment under the SIP Top-UP will be subject to minimum SIP investment requirement applicable from time to time (As on January 1, 2017, this figure is Rs. 1000/-).

9. Once enrolled, the Top-up details cannot be modified. However, investors can choose to cancel the Top-Up, by filling in the relevant Form and continue with the same SIP.

10. For further details and Forms, investors are requested to refer the website (<http://amc.ppfas.com>) or contact the Corporate Office of PPFAS Mutual Fund.

11. The above terms apply for both, offline and online modes of application, as and when initiated by the Fund.

12. All the other provisions of the SID/KIM except as specifically modified herein above remain unchanged.

iii) SIP Pause Facility

SIP Pause facility allows investors to pause their SIP for a temporary period, without discontinuing the existing SIP.

The features, terms and conditions for availing SIP Pause facility are as follows:

1. SIP Pause request should be received at least 30 calendar days prior to the instalment date for the concerned SIP, which is required to be paused.
2. The Facility is applicable only for AMC initiated debit feeds i.e. ECS/NACH/Direct Debit, etc.
3. This Facility is available only for SIPs with Monthly and Quarterly frequencies except for SIPs registered through Mutual Fund Utility (MFU), MFSS system of NSE or any other platforms of the said stock exchange and Channel Partners or those who have standing instructions with Banks as the SIP are registered directly with them and not with the fund house.
4. The maximum number of instalments that can be paused using this facility are 3 (three) consecutive instalments for SIPs registered with Monthly frequency and 1 (one) for SIPs registered with Quarterly frequency. Thereafter, the balance SIP instalments (as originally registered) will automatically resume.
5. If SIP Pause period coincides with SIP Top Up period, SIP instalment amount post completion of SIP Pause period would be inclusive of SIP Top Up amount. For eg: SIP Instalment amount prior to Pause period is ₹ 2,000/- and the Top-Up amount is ₹ 1,000/-. If the Pause period is completed after date of Top-Up, then the SIP instalment amount post-completion of Pause period shall be ₹ 3,000/-
6. SIP Pause once registered cannot be cancelled.
7. Investors can opt for the Facility only once during the tenure of the SIP.

iv) Systematic Transfer Plan (STP):

This facility enables the Unit holder to transfer fixed amount

periodically from one scheme of the Mutual Fund ("Transferor Scheme") to another ("Transferee Scheme") by redeeming units of the Transferor Scheme at the Applicable NAV, subject to Exit Load, if any and investing the same amount in Transferee Scheme at the Applicable NAV, on a recurrent basis for a specified period at specified frequency as per the investor's STP mandate. Investors may register for STP using a prescribed enrollment form. STP facility is offered by the Scheme subject to following terms and conditions:

Subject to the investor fulfilling certain terms and conditions as stipulated by AMC from time to time, the AMC, Mutual Fund, Registrar or any other agent or representative of the AMC, Mutual Fund, the Registrar may accept transactions through any electronic mode including web transactions and as permitted by SEBI or other regulatory authorities from time to time.</p>
--	---

In case of transactions through online facilities / electronic modes, the movement of funds from the investors' bank account to the Scheme's bank account may happen via the Intermediary / Aggregator service provider through a Nodal bank account and post reconciliation of fund. The process of movement of funds from the investors' bank account into the Scheme's Bank account in case of online transaction is governed by Reserve Bank of India(RBI)vide their circular Ref. RBI/2009-10/231 DPSS.CO.PD.No.1102/02.14.08/2009-10 dated 24th November, 2009. The process followed by the aggregator and the time lines within which the Funds are credited into the Scheme's bank account is within the time lines provided by RBI which is T+3 settlement cycle /business days, where T is the date of Transaction / day of intimation regarding completion of transaction. The nodal bank account as stated above is an internal account of the bank and such accounts are not maintained or operated by the intermediary / aggregator or by the Mutual Fund.

While the movement of Funds out of the investors' Bank account may have happened on T day, however post reconciliation and as per statutory norms, the allotment can happen only on availability of Funds for utilization by the AMC/MF and accordingly the transaction will processed as per the applicable NAV based on availability of funds for utilization. This lag may impact the applicability of NAV for transactions where NAV is to be applied, based on actual realization of funds by the Scheme. Under no circumstances will PPFAS Asset Management Private Limited or its bankers or its service providers be liable for any lag / delay in realization of funds.

viii)Registration of Multiple Bank Accounts in respect of an Investor Folio:

An Investor can register with the Fund upto 5 bank accounts in case of individuals and HUFs and upto 10 in other cases.

Registering of Multiple Bank Accounts will enable the Fund to systematically validate the pay-in of funds and avoid acceptance of third party payments. For the purpose of registration of bank account(s), Investor should submit Bank Mandate Registration Form (available at the AMC Website, office of AMC and Official point of Acceptance) together with any of the following documents:

Cancelled original cheque leaf in respect of bank account to be registered where the account number and names of the account holders are printed on the face of the cheque; or Bank statement or copy of Bank Pass Book page with the Investor's Bank Account number, name and address.

The above documents will also be required for change in bank account mandate submitted by the Investor.

The AMC will register the Bank Account only after verifying that the sole/ first joint holder is the holder / one of the joint holders of the bank account. In case, if a copy of the above documents is submitted, Investor shall submit the original to the AMC/ Investor Service Centre for verification and the same shall be returned.

	<p>In case of Multiple Registered Bank Account, Investor may choose one of the registered bank accounts for the credit of redemption/dividend proceeds (being - Pay-out bank account). Investor may however, specify any other registered bank accounts for credit of redemption proceeds at the time of requesting for the redemption.</p> <p>Investor may change such Payout Bank account, as necessary, through written instructions.</p> <p>However, if request for redemption is received together with a change of bank account (unregistered new bank account) or before verification and validation of new bank account, the redemption request would be processed to the currently registered default old bank account.</p> <p>Bank account which is stated first shall be treated as default bank account.</p> <p>For further details please refer to paragraph on Registration of Multiple Bank Accounts in respect of an Investor Folio in the SAI.</p> <p>The AMC reserves the right to alter/ discontinue all / any of the above mentioned special product(s)/ facility(ies) at any point of time. Further, the AMC reserves the right to introduce more special product(s) / facility(ties) at a later date subject to prevailing SEBI Guidelines and Regulations.</p> <p>Email ID for communication First / Sole Holders should register their own email address and mobile number in their folio for speed and ease of communication in a convenient and cost-effective manner, and to help prevent fraudulent transactions.</p> <p>ix) FACILITY TO PURCHASE / REDEEM UNITS OF THE SCHEME(S) THROUGH STOCK EXCHANGE(S).</p> <p>PPFAS Mutual Fund is introducing the facility to purchase and redeem units of PPFAS Mutual Fund scheme/s through Stock Exchange Platform, in accordance with SEBI Circulars No. CIR/MRD/DSA/32/2013 dated October 4, 2013, Circular No. SEBI/IMD/CIR No. 11/183204/ 2009 dated November 13, 2009 and Circular No. CIR/IMD/DF/17/2010 dated November 9, 2010.</p> <p>The following are the salient features of the facility introduced for the benefit to investors</p> <ol style="list-style-type: none"> 1. 	<p>v. For Unit Holders who have provided an e-mail address in KYC records, the CAS will be sent by e-mail.</p> <p>vi. The Unit Holder may request for a physical account statement by writing to/calling the AMC/RTA. In case of a specific request received from the unit holders, the AMC/RTA shall provide the account statement to the unit holders within 5 business days from the receipt of such request.</p> <p>vii. Account Statements shall not be construed as proof of title and are only computer printed statements indicating the details of transactions under the Schemes during the current financial year and giving the closing balance of Units for the information of the Unit Holder.</p> <p>viii. In case an investor has multiple accounts across two Depositories, the depository with whom the account has been opened earlier will be the default Depository.</p> <p>For SIP/STP/SWP transactions:</p> <p>Account Statement for SIP/STP/SWP will be despatched once every quarter ending March, June, September and December within 10 working days of the end of the respective quarter.</p> <p>A soft copy of the Account Statement shall be mailed to the investors under SIP/STP/SWP to their e-mail address on a monthly basis, if so mandated.</p> <p>However, the first Account Statement under SIP/STP/SWP shall be issued within 10 working days of the initial investment/transfer.</p> <p>In case of specific request received from investors, Mutual Funds shall provide the account statement to the investors within 5 working days from the receipt of such request without any charges.</p> <p>Annual Account Statement:</p> <p>The Mutual Fund shall provide the Account Statement to the Unitholders who have not transacted during the last six months prior to the date of generation of account statements. The Account Statement shall reflect the latest closing balance and value of the Units prior to the date of generation of the account statement, The account statements in such cases may be generated and issued along with the Portfolio Statement or Annual Report of the Scheme. Alternately, soft copy of the account statements shall be mailed to the investors' e-mail address, instead of physical statement, if so mandated.</p> <p>Note: If the investor(s) has/have provided his/their email address in the application form or any subsequent communication in any of the folio belonging to the investor(s), Mutual Fund / Asset Management Company reserves the right to use Electronic Mail (email) as a default mode to send various communication which include account statements for transactions done by the investor(s). The investor shall from time to time intimate the Mutual Fund / its Registrar and Transfer Agents about any changes in the email address.</p>
Creation of Segregated Portfolio	<p>Segregated portfolio may be created, in case of a credit event at issuer level i.e. downgrade in credit rating by a SEBI registered Credit Rating Agency (CRA), as under:</p> <ul style="list-style-type: none"> Downgrade of a debt or money market instrument to 'below investment grade', or

	<ul style="list-style-type: none"> • Subsequent downgrades of the said instruments from 'below investment grade', or • Similar such downgrades of a loan rating. <p>The most conservative rating shall be considered, if there is difference in rating by multiple CRAs, Creation of segregated portfolio shall be based on issuer level credit events as detailed at "Credit Events" and implemented at the ISIN level.</p> <p>Actual default (for unrated debt or money market instruments) In case of unrated debt or money market instruments, the actual default of either the interest or principal amount by the issuer.</p> <p>On occurrence of any default, the AMC shall inform AMFI immediately about the actual default by the issuer. Subsequent to dissemination of information by AMFI about actual default by the issuer, the AMC might segregate the portfolio of debt or money market instruments of the said issuer.</p> <p>Process of creation of segregated portfolio:</p> <p>PPFAS AMC will decide on creation of a segregated portfolio on the day of credit event/actual default and will seek approval of PPFAS Trustee. Post that PPFAS AMC will immediately issue a press release disclosing its intention to segregate such debt and money market instruments and its impact on the investors. PPFAS AMC will also disclose that the segregation shall be subject to trustee approval. Additionally, the said press release will be prominently disclosed on the website of the AMC. PPFAS AMC will ensure that till the time the trustee approval is received, which in no case shall exceed 1(one) business day from the day of credit event/actual default, the subscription and redemption in the scheme shall be suspended for processing with respect to creation of units and payment on redemptions.</p> <p>The segregated portfolio shall be effective from the day of credit event/actual default, post approval of Trustee.</p> <p>PPFAS AMC will issue a press release immediately post approval of PPFAS Trustee with all relevant information pertaining to the segregated portfolio. The said information shall also be submitted to SEBI.</p> <p>An e-mail or SMS will be sent to all unit holders of the concerned Scheme. The NAV of both the segregated and main portfolio will be disclosed from the day of the credit event. All existing unit holders in the Scheme as on the day of the credit event shall be allotted an equal number of units in the segregated portfolio as held in the main portfolio.</p> <p>No redemption and subscription shall be allowed in the segregated portfolio. However, in order to facilitate exit to unit holders in segregated portfolios, PPFAS AMC will enable listing of units of segregated portfolio on recognized stock exchange within 10 working days of creation of segregated portfolio and also enable transfer of such units on receipt of transfer request.</p> <p>If the trustees do not approve the proposal to segregate the portfolio, AMC shall issue a press release immediately informing investors of</p>

	<p>the same.</p> <p>Valuation and processing of subscription and redemptions:</p> <p>The valuation will take into account the credit event and the portfolio will be valued based on the principles of fair valuation (i.e. realizable value of the assets) in terms of the relevant provisions of SEBI (Mutual Funds) Regulations, 1996 and Circular(s) issued thereunder.</p> <p>All subscription and redemption requests for which NAV of the day of credit event/actual default or subsequent day is applicable will be processed as per the existing circular on applicability of NAV. However, in case of segregated portfolio, applicability of NAV will be as under:</p> <ul style="list-style-type: none"> -Investors redeeming their units will get redemption proceeds based on the NAV of the main portfolio and will continue to hold the units of the segregated portfolio. -Investors subscribing to the Scheme will be allotted units only in the main portfolio based on its NAV. <p>In case, PPFAS Trustee does not approve the above valuation process, all subscription and redemption applications will be processed based on the NAV of the total portfolio.</p> <p>Disclosure Requirements:</p> <p>A statement of holding indicating the units held by the investors in the segregated portfolio along with the NAV of both segregated portfolio and main portfolio as on the day of the credit event will be communicated to the investors within 5 working days of creation of the segregated portfolio. Further, adequate disclosure of the segregated portfolio will also appear in all scheme related documents, in monthly and half-yearly portfolio disclosures and in the annual report of the mutual fund and the Scheme. Further, the NAV of the segregated portfolio will be declared on a daily basis.</p> <p>The information regarding the number of segregated portfolios created in a scheme shall appear prominently under the name of the scheme at all relevant places such as SID, KIM-cum-Application Form, advertisements, AMC and AMFI websites, etc. The scheme performance required to be disclosed at various places will include the impact of creation of a segregated portfolio. The scheme performance will clearly reflect the fall in NAV to the extent of the portfolio segregated due to the credit event and the said fall in NAV along with recovery(ies), if any, will be disclosed as a footnote to the scheme performance. These disclosures regarding the segregated portfolio will be carried out for a period of at least 3 years after the investments in the segregated portfolio are fully recovered/ written-off.</p> <p>The investors of the segregated portfolio will be duly informed of the recovery proceedings of the investments of the segregated portfolio and status update will be provided to the investors at the time of recovery and also at the time of writing-off of the segregated securities. Upon recovery of money, whether partial or full, it will be immediately distributed to the investors in proportion to their holding in the segregated portfolio.</p> <p>Total Expense Ratio (TER) for segregated portfolio:</p> <p>AMC shall not charge investment and advisory fees on the segregated</p>

portfolio. TER (including legal charges and excluding the investment and advisory fees) shall be charged pro- rata basis only on upon recovery of investment in the segregated portfolio. The legal charges related to recovery of the investments of the segregated portfolio may be charged to the segregated portfolio in proportion to the amount of recovery. The maximum TER limit shall be same as applicable to the main portfolio. TER in excess of limit shall be borne by AMC. However, the costs related to segregated portfolio shall in no case be charged to the main portfolio. The TER so levied shall not exceed the simple average of such expenses (excluding the investment and advisory fees) charged on daily basis on the main portfolio (in % terms) during the period for which the segregated portfolio was in existence.

Monitoring by Trustees:

In order to ensure timely recovery of investments of the segregated portfolio, Trustees will ensure that, PPFAS AMC puts in sincere efforts to recover the investments of the segregated portfolio. Upon recovery of money, whether partial or full, it will be immediately distributed to the investors in proportion to their holding in the segregated portfolio. Any recovery of amount of the security in the segregated portfolio even after the write off shall be distributed to the investors of the segregated portfolio. Further, an Action Taken Report (ATR) on the efforts made by PPFAS AMC to recover the investments of the segregated portfolio will be placed in every Trustee meeting till the investments are fully recovered/ written-off.

The Trustees will monitor the compliance of this circular and disclose in the half-yearly trustee reports filed with SEBI, the compliance in respect of every segregated portfolio created.

In order to avoid mis-use of segregated portfolio, trustees will ensure that there is a mechanism in place to negatively impact the performance incentives of Fund Managers, Chief Investment Officers (CIOs), etc. involved in the investment process of securities under the segregated portfolio, mirroring the existing mechanism for performance incentives of the AMC, including claw back of such amount to the segregated portfolio of the scheme.

Creation of a segregated portfolio will be optional and at the discretion of PPFAS AMC.

Illustration of portfolio segregation:

The below table shows how a security affected by a credit event will be segregated and its impact on investors

Total Portfolio	Regular Plan	Direct Plan
Net Assets (A)	200.00	110.00
Units (B)	20.000	10.000
NAV per unit (A)/(B)	10.0000	11.0000

Assuming, the above portfolio has a security with market value of Rs. 20 which has got impacted by a credit event. Based on Trustees approval for segregation of portfolio, total portfolio would be split into main portfolio and segregated portfolio as given below:

	Main Portfolio	Regular Plan	Direct Plan
	Net Assets before Segregation (A)	200.00	110.00
	Value of impacted security (B)	12.9040	7.0970
	Net Assets after segregation (C) = (A) – (B)	187.0960	102.903
	Units (D)	20.000	10.000
	NAV per unit (C)/(D)	9.3548	10.2903
	Segregated Portfolio	Regular Plan	Direct Plan
	Value of impacted security segregated from Total Portfolio	12.9040	7.0970
	Haircut @ 25%	3.226	1.774
	Net Assets after Haircut (A)	9.678	5.323
	Units (B)	20.000	10.000
	NAV per unit (A)/(B)	0.4839	0.5323
	Investor Holding	Regular Plan	Direct Plan
	Net Assets in Total Portfolio	200.00	110.00
	Net Assets in Main Portfolio	187.0960	102.903
	Net Assets in Segregated Portfolio after Haircut*	9.678	5.323
	<p>* Market value of investor holding will come down to the extent of a haircut on the impacted security.</p> <p>Impact on investors:</p> <p>Existing Investors: All existing investors in the scheme as on the day of the credit event will be allotted equal number of units in the segregated portfolio as held in the main portfolio.</p> <p>New Investors: Investors subscribing to the scheme will be allotted units only in the main portfolio based on its NAV.</p> <p>Exiting Investors: Investors redeeming their units will get redemption proceeds based on the NAV of main portfolio and will continue to hold the units of segregated portfolio.</p>		

<p>Dividend</p>	<p>The Dividend warrants / cheque / demand draft shall be dispatched to the Unit Holders within 30 days of the date of declaration of the dividend. In the event of failure to dispatch the dividend within the stipulated 30-days period, the AMC shall be liable to pay interest @ 15 percent per annum for the delayed period, to the Unit holders. The interest for the delayed payment of dividend shall be calculated from the record date.</p> <p>The Dividend proceeds will be paid by way of ECS / EFT / NEFT / RTGS / Direct credits/ IMPS or any other mode allowed by Reserve Bank of India if sufficient banking details are available with the Mutual Fund for the Unitholder.</p> <p>In case of specific request for Dividend by warrants/cheques/demand drafts or unavailability of sufficient details with the Mutual Fund, the Dividend will be paid by warrant/cheques/demand drafts and payments will be made in favour of the Unit holder (registered holder of the Units or, if there are more than one registered holder, only to the first registered holder) with bank account number furnished to the Mutual Fund.</p>
<p>Redemption:</p>	<p>The redemption or repurchase proceeds shall be dispatched to the unitholders within 10 working days from the date of redemption or repurchase.</p> <p>For redeeming units of the Scheme, an investor would need to submit a duly filled-in redemption application at any of ISC/Official point of Acceptance. The redemption/ switch would be permitted to the extent of credit balance in the unit-holder's account.</p> <p>The redemption/ switch request can be made by specifying either the number of units or the amount (in rupees) to be redeemed. In case the investor specifies the number of units and amount to be redeemed, the number of units shall be considered for redemption. In case the unit-holder does not specify the number of units or amount to be redeemed, the redemption request will not be processed.</p> <p>For details regarding the minimum amount for redemption please see the point on Minimum amount for purchase/redemption switches in this document.</p> <p>In the larger interest of the unitholders of the Scheme, the AMC may, in consultation with the Trustee, keeping in view unforeseen circumstances / unusual market conditions, limit the total number of units which may be redeemed on any business day to such a percentage of the total number of units issued and outstanding under Scheme/plan as the AMC may determine. For details, please refer to paragraph on Right to limit Redemption in the SAI. The AMC reserves the right to, in consultation with the Trustee, suspend the purchase and/ or redemption of units temporarily or indefinitely, in case of unforeseen extraordinary circumstances. For details, please refer to paragraph on 'Suspension of Purchase and / or Redemption of Units and Dividend Distribution' in the SAI.</p> <p>Redemption proceeds will be paid to the investor through Real Time Gross Settlement (RTGS), NEFT, IMPS, Direct Credit, a/c payee cheque or demand draft or any other mode allowed by Reserve Bank of India.</p> <p>Redemption by investors transacting through the Stock Exchange mechanism</p>

	<p>Investors who wish to transact through the stock exchange shall place orders for redemptions as currently practiced for secondary market activities. Investors must submit the Delivery Instruction Slip to their Depository Participant on the same day of submission of redemption request, within such stipulated time as may be specified by NSE/BSE, failing which the transaction will be rejected. Investors shall seek redemption requests in terms of number of Units only and not in Rupee amounts. Redemption amounts shall be paid by the AMC to the bank mandate registered with the Depository Participant.</p> <p>Redemption under dematerialized mode:</p> <p>As an alternative, redemption request can be placed through Depository Participants & Exchanges specified intermediaries where NSE MFSS/ BSE STAR platform is available for trading of Mutual Fund Units. The redemption requests submitted to the AMC / Registrar directly are liable to be rejected.</p> <p>If the investor wishes to redeem the units hold in demat mode with the AMC in such case the investor is required to convert such units in the physical mode by submitting request for Rematerialisation to the Depository Participants and after conversion of such units into the physical mode to the AMC for redemption of such units.</p> <p>The Trustee may mandatory redeem units of any unitholders in the event that it is found that the unitholders has submitted information either in the application or otherwise that is false, misleading or incomplete or units are held by a unitholder in breach of the regulation.</p> <p>Units can be redeemed (sold back to the Mutual Fund) at the Redemption Price during the Ongoing Offer Period</p> <p>Payment of redemption proceeds- Resident Investors:</p> <p>In case of Unit holders having a bank account with certain banks with which the Mutual Fund would have an arrangement from time to time, the redemption proceeds shall be electronically credited to their account. In case of specific requests, redemption proceeds will be paid by way of payment channels like RTGS, NEFT, IMPS, Direct Credit, etc. or any other mode allowed by Reserve Bank of India in addition to cheques/demand drafts in favour of the unitholder (registered holder of the Unit or, if there are more than one registered holder, only to the first registered holder) with bank account number furnished to the Fund.</p> <p>Redemption by NRIs: For NRIs, redemption proceeds will be remitted depending upon the source of investment as follows: Where the payment for the purchase of the units redeemed was made out of funds held in NRO account, the redemption proceeds will be credited to the NRI investor's NRO account</p> <p>Where the units were purchased on repatriation basis and the payment for the purchase of the units redeemed was made by inward remittance through normal banking channels or out of funds held in NRE / FCNR account, the redemption proceeds will be credited to his NRE / FCNR account</p> <p>Note: i. The Fund will not be liable for any delays or for any loss on account of any exchange fluctuations, while converting the rupee amount in foreign exchange in the case of transactions with NRIs /</p>

Investors claiming these amounts during a period of three years from the due date shall be paid at the prevailing NAV. After a period of three years, this amount shall be transferred to a pool account and the investors can claim the said amounts at the NAV prevailing at the end of the third year. Income earned on such funds shall be used for the purpose of investor education. The AMC shall make a continuous effort to remind investors through letters to take their unclaimed amounts.</p> <p>The AMC reserves the right to provide the facility of redeeming Units of the Scheme through an alternative mechanism including but not limited to online transactions on the Internet through the AMC website or any other website, etc., as may be decided by the AMC from time to time. The alternative mechanisms would be applicable to only those investors who opt for the same in writing and/or subject to investor fulfilling such conditions as the AMC may specify from time to time. On the receipt of transmission request form the claimant, AMC/RTA shall ascertain any unclaimed IDCW/redemption and refund amount payable to the deceased unit holder and pay to the claimant's registered bank account via RTGS/NEFT/Direct Fund transfer. Unit-holders should note that while remitting your redemption proceeds, tax will be deducted at source in accordance with applicable tax laws.</p> <p>Bank Details:</p> <p>In order to protect the interest of Unit holders from fraudulent encashment of redemption / dividend cheques, SEBI has made it mandatory for investors to provide their bank details viz. name of bank, branch, address, account type and number, etc. to the Mutual Fund. Applications without complete bank details shall be rejected. The AMC will not be responsible for any loss arising out of fraudulent encashment of cheques / warrants and / or any delay / loss in transit. Also, please refer to point on Registration of Multiple Bank Accounts in respect of an Investor Folio given in this document. The interest for the delayed payment of dividend shall be calculated from the record date.</p>
Delay in payment of redemption / repurchase proceeds/ dividend	Under normal circumstances, the redemption or repurchase proceeds shall be dispatched to the unitholders within 10 working days from the

	<p>date of redemption or repurchase. The AMC shall be liable to pay interest to the unitholders at such rate as may be specified by SEBI for the period of such delay (presently @ 15% per annum). However, the AMC will not be liable to pay any interest or compensation or any amount otherwise, in case the AMC / Trustee is required to obtain from the investor / unitholders, verification of identity or such other details relating to subscription for units under any applicable law or as may be requested by a regulatory body or any government authority, which may result in delay in processing the application.</p>

<p>Notes:</p> <p>A. The levy of tax on distributed income payable by mutual funds has been abolished w.e.f. April 1, 2020 and instead tax on income from mutual fund units in the hands of the unit holders at their applicable rates has been adopted.</p> <p>* As per the provisions of section 196A which is specifically applicable in case of non-resident unitholders, a withholding tax rate of 20% (plus applicable surcharge and cess) on any income in respect of units of a Mutual Fund credited/ paid to non-resident unitholders shall apply, as section 196A does not make reference to "rates in force" but provides the withholding tax rate of 20% (plus applicable surcharge and cess).</p> <p>As per the provisions of section 196D of the Act which is specifically applicable in case of FPI/FII, the withholding tax rate of 20% (plus applicable surcharge and cess) on any income in respect of securities referred to in section 115AD(1)(a) credited / paid to FII shall apply. The Finance Act, 2021 inserted a proviso to section 196D(1) of the Act to grant relevant tax treaty benefits with effect from 1 April 2021 at the time of withholding tax on income with respect to securities of FPIs, subject to furnishing of tax residency certificate and such other documents as may be required. As per section 196D(2) of the Act, no TDS shall be made in respect of income by way of capital gain arising from the transfer of securities referred to in section 115AD of the Act.</p> <p># Health and Education Cess shall be applicable at 4% on aggregate of base tax and surcharge.</p> <p>\$ The Finance Act, 2021 provides that in case of domestic company, the rate of income-tax shall be 25% if its total turnover or gross receipts in the financial year 2019-20 does not exceed Rs. 400 crores.</p> <p>@ The corporate tax rates for domestic companies (not claiming specified incentives and deductions) at the rate of 22% under section 115BAA and domestic manufacturing companies (not claiming specified incentives and deductions) set-up and registered on or after 1 October 2019 at the rate of 15% under section 115BAB. The tax computed in case of domestic companies</p>			

	<p>whose income is chargeable to tax under section 115BAA or section 115BAB shall be increased by a surcharge at the rate of 10%.</p> <p>^ Short term/ long term capital gain tax will be deducted at the time of redemption of units in case of non resident investors only. However, as per section 196A of the Act the withholding tax of 20% (plus applicable surcharge and cess) is applicable on any income in respect of units of mutual fund in case of non-residents. Hence, based on language provided in said section, it seems that apart from any income distributed to Non resident, withholding tax at 20% may be applicable on capital gains notwithstanding that such capital gains are taxable at a rate lower than 20%.</p> <p>& In case of Non Resident, on unlisted schemes, long term capital gain will be taxed at 10% without indexation and foreign currency fluctuation benefits (plus applicable surcharge and cess\$).</p> <p>**The Finance Act, 2021 inserted a new section 206AB w.e.f. 1 July 2021 which would apply on any sum or income or amount paid, or payable or credited, by a person (herein referred to as deductee) to a specified person, as defined. This section shall not apply where the tax is required to be deducted under sections 192, 192A, 194B, 194BB, 194LBC or 194N of the Act. The TDS rate in this section is higher of the followings rates:</p> <ul style="list-style-type: none"> • twice the rate specified in the relevant provision of the Act; or • twice the rate or rates in force; or • the rate of five per cent. <p>It is also provided that if the provision of section 206AA of the Act is applicable to a specified person, in addition to the provision of this section, the tax shall be deducted at higher of the two rates provided in this section and in section 206AA of the Act.</p> <p>^^ The information given herein is as per the prevailing tax laws.</p> <p>For Further details on taxation, please refer to the Section on 'Taxation on investing in Mutual Funds' in 'Statement of Additional Information (SAI)'. Investors should be aware that the fiscal rules/ tax laws may change and there can be no guarantee that the current tax position may continue indefinitely.</p>

D. COMPUTATION OF NAV

The Net Asset Value (NAV) per Unit of the Scheme(s) will be computed by dividing the net assets of the Scheme(s) by the number of Units outstanding under the Scheme on the valuation date. The Mutual Fund will value its investments according to the valuation norms, as specified in Schedule VIII of the SEBI (MF) Regulations, or such norms as may be specified by SEBI from time to time. NAV of Units under each Scheme / Plan shall be calculated as shown below:

Market or Fair Value of the Scheme's Investments
+ Current Assets including Accrued income
- Current Liabilities and Provisions

NAV (Rs) per unit =
$$\frac{\text{Market or Fair Value of the Scheme's Investments} + \text{Current Assets including Accrued income} - \text{Current Liabilities and Provisions}}{\text{No. of Units outstanding under the Scheme / Plan/ Option on the Valuation day}}$$

The AMC will calculate and disclose the NAV of the Scheme(s) at the close of every Business Day.

Separate NAV will be calculated and disclosed for each Plan/Option. The NAVs of the Growth Option and the Dividend Option will be different after the declaration of the first Dividend. (Please refer to SEBI circular, CIR/IMD/DF/21/2012 dated 13th September 2012).

The NAV of the Scheme(s) will be calculated up-to 4 decimals. Units will be allotted up-to 3 decimals.

NAV will also be displayed on the website of the Mutual Fund. In addition, the ISCs would also display the NAV.

IV. FEES AND EXPENSES

This section outlines the expenses that will be charged to the schemes and also about the transaction charges, if any, to be borne by the investors.

A. NEW FUND OFFER (NFO) EXPENSES

These expenses are incurred for the purpose of various activities related to the NFO like sales and distribution fees, marketing and advertising expenses, Registrar & Transfer Agents' expenses, printing and stationary, bank charges etc.

The entire amount subscribed by the investor subject to deduction of transaction charges, if any, in the scheme during the New Fund Offer (NFO) will be available to the scheme for investment.

In accordance with the provisions of SEBI Circular no. SEBI/IMD/CIR No. 1/64057/06 dated April 04, 2006 and SEBI/IMD/CIR No. 4/168230/09 dated June 30, 2009, the NFO expenses shall be borne by the AMC/ Trustee/Sponsor and not by the scheme of mutual fund.

B. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses for operating the Scheme. These expenses include Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer Agents' fee, marketing and selling costs etc. as given in the table below:

The AMC has estimated that following % of the daily net assets of the Scheme will be charged to the Scheme as expenses. Please refer to the table below for details. For the actual current expenses being charged, the investor should refer to the website of the Mutual Fund viz. <https://amc.ppfas.com/statutory-disclosures/total-expense-ratio-TER/>

^ In terms of SEBI Circular No SEBI/HO/IMD/DF2/CIR/P/2018/15 dated February 02, 2018, in case exit load is not levied / not applicable, the AMC shall not charge the said additional expenses.

All scheme related expenses including commission paid to distributors, by whatever name it may be called and in whatever manner it may be paid, shall necessarily be paid from the scheme only within the regulatory limits and not from the books of the Asset Management Companies (AMC), its associate, sponsor, trustee or any other entity through any route. However, expenses that are very small in value but high in volume may be paid out of AMC's books at actuals or not exceeding 2 bps of respective Scheme AUM, whichever is lower. A list of such miscellaneous expenses will be as provided by AMFI in consultation with SEBI.

Notes: Expense structure for Direct Plan will be lower than the regular plan to the extend of Commission.

Direct Plan shall have a lower expense ratio excluding distribution expenses, commission, etc. and no commission for distribution of Units will be paid / charged under Direct Plan.

These estimates have been made in good faith as per the information available to the Investment Manager and are subject to change inter-se or in total subject to prevailing Regulations. The AMC may incur actual expenses which may be more or less than those estimated above under any head and/or in total. Type of expenses charged shall be as per the SEBI Regulations.

The trusteeship fees shall be subject to a maximum of 0.01% per annum of the daily Net Assets of the schemes or a sum of Rs. 25,00,000/- per annum. Such fee shall be accrued on a monthly basis and paid to the Trustee Company at yearly frequency. The Trustee Company may charge further expenses as permitted from time to time under the Trust Deed and SEBI (MF) Regulations.

As per Para B of the SEBI Circular No. CIR/IMD/DF/21/ 2012 dated September 13, 2012, GST shall be charged as follows:

1. GST on investment management and advisory fees shall be charged to the Scheme in addition to the maximum limit of TER as prescribed in Regulation 52 (6) of the SEBI (MF) Regulations.
2. GST on other than investment management and advisory fees, if any, shall be borne by the Scheme within the maximum limit of TER as prescribed in Regulation 52 (6) of the SEBI (MF) Regulations.
3. GST on exit load, if any, shall be paid out of the exit load proceeds and exit load net of GST, if any, shall be credited to the Scheme.
4. GST on brokerage and transaction cost paid for execution of trade, if any, shall be within the limit prescribed under Regulation 52 of the SEBI (MF) Regulations.

The AMC shall charge the Mutual Fund with investment and advisory fee as prescribed in the SEBI (MF) Regulations from time to time. Presently, the SEBI (MF) Regulations permit fees as follows:

The recurring expenses of the Scheme shall be as per the limits prescribed under the SEBI (MF) Regulations. These are as follows:

Total Recurring Expense as a % of Daily Average Net Assets**

- on the first Rs.500 crores of the daily net assets 2.00%;
- on the next Rs.250 crores of the daily net assets 1.75%;
- on the next Rs.1,250 crores of the daily net assets 1.50%;
- on the next Rs.3,000 crores of the daily net assets 1.35%
- on the next Rs.5,000 crores of the daily net assets 1.25%
- on the next Rs.40,000 crores of the daily net assets - Total expense ratio reduction of 0.05% for every increase of Rs.5,000 crores of daily net assets or part thereof on the balance of the assets 0.80%:

** Minimum of 0.02% shall be allocated annually to investor education and awareness initiatives

It is possible that the AMC may charge the maximum recurring expenses provided above as investment management and advisory fees. In such case the other recurring expenses will not be charged to the Scheme.

In terms of SEBI circular no. CIR/IMD/DF/21/2012 dated September 13, 2012, the AMC shall annually set apart at least 0.02% on daily net assets within the maximum limit of recurring expenses as per Regulation 52 for investor education and awareness initiatives.

In addition to the limits specified above as permitted under Regulation 52 (6A) of the SEBI Regulations, the following costs or expenses may be charged to the Scheme:

1. brokerage and transaction costs which are incurred for the purpose of execution of trade and is included in the cost of investment, not exceeding 0.12% in case of cash market transactions and 0.05% in case of derivatives transactions;

In accordance with SEBI circular no. CIR/IMD/DF/24/ 2012 dated November 19, 2012, any payment towards brokerage and transaction cost, over and above the said 0.12% and 0.05% for cash market transactions and derivatives transactions respectively, may be charged to the Scheme within the maximum limit of Total Expense Ratio (TER) as prescribed under Regulation 52 (6) of the SEBI (MF) Regulations, 1996.

2. expenses not exceeding of 0.30% of daily net assets, if the new inflows from beyond the top 30 cities are at least:
 - (i) 30 % of gross new inflows in the Scheme or;
 - (ii) 15 % of the average assets under management (year to date) of the Scheme,whichever is higher:

As per SEBI Circular No. SEBI/HO/IMD/DF2/CIR/P/2018/137 dated October 22, 2018, additional expenses of 30 basis points, shall be charged based on inflows only from retail investors from beyond top 30 cities.

As per SEBI circular no. SEBI/HO/IMD/DF2/CIR/P/2019/42 dated March 25, 2019, inflows of amount upto Rs 2,00,000/- per transaction, by individual investors shall be considered as inflows from "retail investor".

In case inflows from such cities are less than the higher of (a) or (b) above, such expenses on daily net assets of the Scheme shall be charged on proportionate basis in accordance with SEBI Circular no. CIR/IMD/ DF/21/2012 dated September 13, 2012 read with SEBI Circular no. SEBI/HO/IMD/DF2/CIR/P/2018/16 dated February 2, 2018.

The amount so charged shall be utilised for distribution expenses incurred for bringing inflows from such cities. However, the amount incurred as expense on account of inflows from such cities shall be credited back to the Scheme in case the said inflows are redeemed within a period of one year from the date of investment.

Currently, SEBI has specified that the above additional expense may be charged for inflows from beyond 'Top 30 cities'. Top 30 cities shall mean top 30 cities based on Association of Mutual Funds in India (AMFI) data on 'AUM by Geography - Consolidated Data for Mutual Fund Industry' as at the end of the previous financial year.

3. Expenses not exceeding 0.05% p.a. of daily net assets towards Investment Management and Advisory Fees and the various sub-heads of recurring expenses mentioned under Regulation 52 (2) and (4) respectively of SEBI (MF) Regulations. However, in terms of SEBI Circular No SEBI/ HO/ IMD/ DF2/ CIR/P/ 2018/15 dated February 02, 2018, in case exit load is not levied / not applicable, the AMC shall not charge the said additional expenses.

The total expenses of the Scheme including the Investment Management and Advisory Fee shall not exceed the limits stated in Regulation 52 of the SEBI (MF) Regulations.

The total expense ratios of the schemes of the Fund are available in downloadable spreadsheet format on the AMC website and AMFI website. Any change in the current expense ratios will be updated at least three working days prior to the effective date of the change. For the current total expense ratio details of the Scheme, investors may visit <https://amc.ppfas.com/statutory-disclosures/total-expense-ratio-TER/> available on the website of the AMC viz., www.amc.ppfas.com and AMFI's website viz., www.amfiindia.com.

Illustration: Impact of Expense Ratio on Scheme's return:

Expense ratio, normally expressed as a percentage of Average Assets under Management, is calculated by dividing the permissible expenses under the Regulations by the average net assets.

To further illustrate the above, for the Scheme under reference, suppose an Investor invested ₹ 10,000/- under the Growth Option, the impact of expenses charged will be as under:

	Regular Plan			Direct Plan		
	Amount (₹)	Units	NAV (₹)	Amount (₹)	Units	NAV (₹)

Entry Load	Not Applicable In terms of SEBI circular no. SEBI/IMD/CIR No. 4/ 168230/09 dated June 30, 2009 has notified that, w.e.f. August 01, 2009 there will be no entry load charged to the schemes of the Mutual Fund and the upfront commission to distributors will be paid by the investor directly to the ARN Holder (AMFI registered Distributor), based on the investors' assessment of various factors including the service rendered by the distributor.

#Applicable for normal subscriptions / redemptions including transactions under special products such as SIP, STP, SWP, switches, etc. offered by the AMC

Exit Load	
Investor Exit upon subscription	Exit load as % of redemption proceeds
Day 1	0.0070%
Day 2	0.0065%
Day 3	0.0060%
Day 4	0.0055%
Day 5	0.0050%
Day 6	0.0045%
Day 7 onwards	0.0000%

(i) No exit load shall be levied for switching between Options under the same Plan within the Scheme.

(ii) No exit load shall be levied for switching from Direct Plan to Regular Plan and vice versa.

(iii) No exit load will be levied on Bonus Units and Units allotted on Dividend Re-investment.

(iv) No exit load will be levied on Units allotted in the Target Scheme under the Dividend Transfer Plan.

Under the Scheme, the Trustee / AMC reserves the right to modify / change the Load structure if it so deems fit in the interest of smooth and efficient functioning of the Mutual Fund. The AMC reserves the right to introduce / modify the Load Structure depending upon the circumstances prevailing at that time subject to maximum limits as prescribed under the SEBI (Mutual Funds) Regulations.

The Load may also be changed from time to time and in the case of an Exit / Redemption Load this may be linked to the period of holding.

The Redemption Price however, will not be lower than 93% of the NAV, and the Sale Price will not be higher than 107% of the NAV, provided that the difference between the Redemption price and Sale price at any point in time shall not exceed the permitted limit as prescribed by SEBI from time to time which is presently 7% calculated on the Sale Price.

Any imposition or enhancement of Exit Load in the load shall be applicable on prospective investments only.

The investor is requested to check the prevailing load structure of the scheme before investing.

However, AMC shall not charge any load on issue of bonus units and units allotted on re-investment of dividend for existing as well as prospective investors. At the time of changing the load structure the AMC / Mutual Fund may adopt the following procedure:

1. The addendum detailing the changes will be attached to Scheme Information Document and Key Information Memorandum and displayed on our website <http://amc.ppfas.com> The addendum will be circulated to all the distributors / brokers so that the same can be attached to all Scheme Information Document and Key Information Memorandum already in stock.
2. Arrangements will be made to display the changes / modifications in the Scheme Information Document in the form of a notice in all the Investor Service Centers and distributors / brokers office.
3. The introduction of the Load along with the details will be stamped in the acknowledgment slip issued to the investors on submission of the application form and will also be disclosed in the Account Statement or in the covering letter issued to the Unit holders after the introduction of such Load.
4. A public notice shall be given in respect of such changes in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of region where the Head Office of the Mutual Fund is situated.
5. There shall be no load on issue of units allotted on re-investment of dividend for existing as well as prospective investors.
6. GST on exit load, if any, shall be paid out of the exit load proceeds. The entire exit load (net of GST), charged, if any, shall be credited to the Scheme.
7. Any other majors which the mutual fund may feel necessary.

F. WAIVER OF LOAD FOR DIRECT APPLICATIONS

Not Applicable

Pursuant to SEBI Circular No. SEBI/IMD/CIR No. 4/168230/09 dated June 30, 2009, no entry load shall be charged for all mutual fund schemes. Therefore, the procedure for waiver of load for direct applications is no longer applicable.

Notice-cum-Addendum

1.Change in the Fund Accountant of the Schemes of PPFAS Mutual Fund

The unitholders/ prospective investors of the Schemes of PPFAS Mutual Fund are hereby requested to take note that M/s. SBI-SG Global Securities Private Limited, having its office at "B" wing, Jeevan Seva Annexe Building, Ground Floor, S.V. Road, Santacruz (West), Mumbai- 400 054, has been appointed as the Fund Accountant for all the Schemes of the PPFAS Mutual Fund in place of Sundaram BNP Paribas Fund Services Limited with effect from **July 15, 2019**.

This addendum shall form an integral part of the Scheme Information Document (SID), Key Information Memorandum (KIM) and Statement of Additional Information (SAI). All other features, terms and conditions mentioned in the SID, KIM and SAI remain unchanged.

2.Revised Addendum on Valuation Policy

The following amendments to the valuation policy were approved by the Board of AMC and taken note of by the Board of Trustees. The revised valuation policy is uploaded on the website of the PPFAS AMC (www.amc.ppfas.com). Also, the provisions of the existing valuation policy issued via addendum on June 20, 2019 stand modified by the revised valuation policy under "Detailed security/asset-wise valuation policy, procedure & methodology for Investments made by the PPFAS Mutual Fund".

II. Money Market, Debt & Debt Related Instruments

Type of Securities	Current Valuation Policy	Revised Valuation Policy
Government securities (Including Central government securities, State Development Loans, Treasury Bills and Cash Management Bills) with residual maturity less than or equal to 30 days.	<p>Valuation will be done by amortisation on a straight-line basis to maturity from cost or last valuation price whichever is more recent. The resultant price will be compared with the reference price arrived by taking the average of the security level price of such security as provided by the agency (ies) appointed by AMFI for the said purpose (herein referred to as "valuation agencies"). The amortised price shall be used for valuation as long as it is within +/- 0.025% of the price derived using the benchmark yields. In case the variance exceeds +/- 0.025% of the price arrived using benchmark yields, the valuation shall be adjusted to bring it within +/- 0.025% of the price computed using the benchmark yields.</p> <p>At the time of first purchase the spread between the purchase yield and the benchmark yield will be fixed. This spread will remain fixed through the life of the instrument & will be changed only if there is a trade in the security. The spread shall be readjusted on the basis of the last trade in the security. If at the time of initial purchase, the residual maturity is more than 30 days and the security comes into the less than 31 days bucket then the price as on 31st day would be used for amortisation from 30th day and the amortised yield as on 30th day would be used for comparing with reference yield as of 30th day and the spread would be fixed based on the difference between amortised yield and reference yield.</p>	<p>Instruments will be valued by amortization on a straight-line basis to maturity from cost or last valuation price whichever is more recent. The amortized price shall be compared with the reference price which shall be the average of the security level price of such security as provided by the agencies appointed by AMFI for said purpose, currently CRISIL and ICRA (hereinafter referred to as "valuation agencies"). The amortized price shall be used for valuation only if it is within a threshold of $\pm 0.025\%$ of the reference price. In case of deviation beyond this threshold, the price shall be adjusted to bring it within the threshold of $\pm 0.025\%$ of the reference price as suggested below.</p> <p>In case variance exceeds $\pm 0.025\%$, the valuation shall then be adjusted to bring it within $\pm 0.025\%$ such that:</p> <ul style="list-style-type: none">• If the amortized price is greater than the reference price $+0.025\%$, the valuation shall be done at reference price $+0.025\%$• If the amortized price is less than the reference price -0.025%, the valuation shall be done at reference price -0.025% <p>In case of subsequent trades in the same security by the fund (i.e. AMC's own trades), the valuation must reflect price considering the trade price as long as the trades are of market lot. Market lot is defined as a single deal of face value of Rs.5 crores or more. The principle of T+1 valuation is followed to value such securities. The security will then start getting amortized from the new valuation price. In case the subsequent trades in the same security by the fund are not meeting the own trades criteria (i.e. none of the deals are of face value of Rs. 5 crores or more) then the amortization price will be computed without considering such additional purchase.</p>
Debt Securities/Instruments with Residual maturity less than or equal to 30 days (Commercial Paper /Certificate of Deposit /Bonds/ Zero Coupon Bonds /Bills Rediscounting / Floating rate securities /PTC)	<p>Valuation will be done by amortisation on a straight-line basis to maturity from cost or last valuation price whichever is more recent. The resultant price will be compared with the price arrived at by using benchmark yields. The amortised price shall be used for valuation as long as it is within +/- 0.025% of the price derived using the benchmark yields. In case the variance exceeds +/- 0.025% of the price arrived using benchmark yields, the valuation shall be adjusted to bring it within +/- 0.025% of the price computed using the benchmark yields else the price of the security shall be adjusted to bring it within this range</p> <p>At the time of first purchase the spread between the purchase yield and the benchmark yield should be fixed. This spread should remain fixed through the life of the instrument & should be changed only if there is justification for the change, i.e. in case of subsequent trade by the fund house in the same security, such spread shall be adopted as long as the trade is of market lot (face value of Rs. 5 crores or more). Such security should be amortized to maturity using the weighted average traded price, provided, such amortized price is in line with +/- 0.025% of the reference price as defined above. If at the time of initial purchase, the residual maturity is more than 30 days and the security comes into the less than 31 days bucket then the price as on 31st day would be used for amortisation from 30th day and the amortised yield as on 30th day would be used for comparing with reference yield as of 30th day and the spread would be fixed based on the difference between amortised yield and reference yield.</p> <p>However, the spread can be changed in case of a change in credit rating or credit profile of the issuer.</p>	<p>Instruments will be valued by amortization on a straight-line basis to maturity from cost or last valuation price whichever is more recent. The amortized price shall be compared with the reference price which shall be the average of the security level price of such security as provided by the agencies appointed by AMFI for said purpose, currently CRISIL and ICRA (hereinafter referred to as "valuation agencies"). The amortized price shall be used for valuation only if it is within a threshold of $\pm 0.025\%$ of the reference price. In case of deviation beyond this threshold, the price shall be adjusted to bring it within the threshold of $\pm 0.025\%$ of the reference price as suggested below.</p> <p>In case variance exceeds $\pm 0.025\%$, the valuation shall then be adjusted to bring it within $\pm 0.025\%$ such that:</p> <ul style="list-style-type: none">• If the amortized price is greater than the reference price $+0.025\%$, the valuation shall be done at reference price $+0.025\%$• If the amortized price is less than the reference price -0.025%, the valuation shall be done at reference price -0.025% <p>In case of subsequent trades in the same security by the fund (i.e. AMC's own trades), the valuation must reflect price considering the trade price as long as the trades are of market lot. Market lot is defined as a single deal of face value of Rs.5 crores or more. The principle of T+1 valuation is followed to value such securities. The security will then start getting amortized from the new valuation price. In case the subsequent trades in the same security by the fund are not meeting the own trades criteria (i.e. none of the deals are of face value of Rs. 5 crores or more) then the amortization price will be computed without considering such additional purchase.</p>
Additional Points	<p>The prices received from CRISIL and ICRA shall be ignored during the notice period of a security which has either a Put or Call option. The notice period will begin from the date of exercise of the option (notice date) till the put or call date and the price will be amortized from the exercise date till the date of put or call.</p> <p>In case the price of the securities is not provided by any one of the AMFI approved agency, then in such security will be valued at weighted average price/ yield of the trades of that security on that day.</p>	Deleted

This addendum shall form an integral part of the SAI. All other features, terms and conditions mentioned in the SAI remain unchanged.

This Addendum is dated 15th July, 2019.

Notice cum Addendum for Creation of Segregated Portfolio in the Scheme Information Document (SID) and Key Information Memorandum (KIM) of Parag Parikh Liquid Fund "the Scheme".

Notice is hereby given that in terms of SEBI vide its circular dated 28 December, 2018 (SEBI/HO/IMD/DF2/CIR/P/2018/160) read with its circular dated 07 November, 2019 (SEBI/HO/IMD/DF2/CIR/P/2019/127),has advised that portfolios by mutual fund schemes investing in debt and money market instruments should have provision in the concerned SID for creating portfolio segregation. In this regard, we wish to inform you that the Board of Directors of PPFAS Asset Management Private Limited ('**PPFAS AMC**') & the Board of Directors of PPFAS Trustee Company Private Limited ('**PPFAS TC**') have approved inclusion of following provisions of creation of segregated portfolio of debt and money market instruments in the Scheme Information Document (SID) of scheme of PPFAS Mutual Fund (PPFAS MF), Parag Parikh Liquid Fund (An Open ended Liquid Scheme) as follows:-

Accordingly, it is proposed to incorporate the following provisions in the SID of the Scheme:

A. Introduction:

"Pursuant to SEBI circulars dated December 28, 2018 and November 07, 2019, Portfolio segregation helps in,

1. Reducing Sharp fall in NAV of Schemes
2. Reducing Redemption pressure & liquidity risk
3. Safeguarding good quality papers & creating confidence in market, and
4. Mitigating reputational risk

Accordingly, this policy is being laid down to comply with the SEBI instructions.

Segregated Portfolio: The portfolio comprising of debt and money market instruments, which might be affected by a credit event and shall also include the unrated debt or money market instruments affected by actual default.

Main Portfolio: Scheme portfolio excluding segregated portfolio

Total Portfolio: Scheme portfolio including the securities affected by credit events.

B. Need for segregated portfolio:

While very stringent internal credit evaluation norms are being followed by AMC/Mutual Fund, the risk of credit downgrade in portfolio companies due to various factors cannot be ruled out. In the event of credit downgrade, the downgrade instrument generally become illiquid making it very difficult for the fund manager to dispose of such instrument/s. In such an event segregation of such an instrument from the main portfolio will prevent the distressed asset(s) damaging the returns generated from more liquid and better-performing assets of the portfolio. It also provides fair treatment to all existing, incoming and outgoing investors, as any recovery from the issuer will future would get distributed among those investors, who would have suffered a loss due to downgrade event.

C. Credit Events:

Segregated portfolio may be created, in case of a credit event at issuer level i.e. downgrade in credit rating by a SEBI registered Credit Rating Agency (CRA), as under:

- 1) Downgrade of a debt or money market instrument to 'below investment grade', or
- 2) Subsequent downgrades of the said instruments from 'below investment grade', or
- 3) Similar such downgrades of a loan rating.

The most conservative rating shall be considered, if there is difference in rating by multiple CRAs. Creation of segregated portfolio shall be based on issuer level credit events as detailed at "Credit Events" and implemented at the ISIN level.

Actual default (for unrated debt or money market instruments)

In case of unrated debt or money market instruments, the actual default of either the interest or principal amount by the issuer.

On occurrence of any default, the AMC shall inform AMFI immediately about the actual default by the issuer. Subsequent to dissemination of information by AMFI about actual default by the issuer, the AMC might segregate the portfolio of debt or money market instruments of the said issuer.

D. Risks associated with segregated portfolio:

The AMC / Trustee shall decide on creation of segregated portfolio of the Scheme in case of a credit event/ actual default at issuer level. Accordingly, Investor holding units of segregated portfolio may not able to liquidate their holding till the time of recovery of money from the issuer. The Security comprised of segregated portfolio may not realise any value. Further, listing of units of segregated portfolio in recognised stock exchange does not necessarily guarantee their liquidity. There may not be active trading of units in the stock market. Further trading price of units on the stock market may be significantly lower than the prevailing NAV.

E. Process of creation of segregated portfolio:

PPFAS AMC will decide on creation of segregated portfolio on the day of credit event/actual default and will seek approval of PPFAS TC. Post that PPFAS AMC will immediately issue a press release disclosing its intention to segregate such debt and money market instrument and its impact on the investors. PPFAS AMC will also disclose that the segregation shall be subject to trustee approval. Additionally, the said press release will be prominently disclosed on the website of the AMC. PPFAS AMC will ensure that till the time the trustee approval is received, which in no case shall exceed 1(one) business day from the day of credit event/actual default, the subscription and redemption in the scheme shall be suspended for processing with respect to creation of units and payment on redemptions.

The segregated portfolio shall be effective from the day of credit event/actual default, post approval of PPFAS TC.

PPFAS AMC will issue a press release immediately post approval of PPFAS TC with all relevant information pertaining to the segregated portfolio. The said information shall also be submitted to SEBI.

An e-mail or SMS will be sent to all unit holders of the concerned Scheme. The NAV of both segregated and main portfolio will be disclosed from the day of the credit event. All existing unit holders in the Scheme as on the day of the credit event shall be allotted equal number of units in the segregated portfolio as held in the main portfolio.

No redemption and subscription shall be allowed in the segregated portfolio. However, in order to facilitate exit to unit holders in segregated portfolio, PPFAS AMC will enable listing of units of segregated portfolio on recognized stock exchange within 10 working days of creation of segregated portfolio and also enable transfer of such units on receipt of transfer request.

If the trustees do not approve the proposal to segregate portfolio, AMC shall issue a press release immediately informing investors of the same.

F. Valuation and processing of subscription and redemptions:

The valuation will take into account the credit event and the portfolio will be valued based on the principles of fair valuation (i.e. realizable value of the assets) in terms of the relevant provisions of SEBI (Mutual Funds) Regulations, 1996 and Circular(s) issued thereunder.

All subscription and redemption requests for which NAV of the day of credit event/actual default or subsequent day is applicable will be processed as per the existing circular on applicability of NAV. However, in case of segregated portfolio, applicability of NAV will be as under:

Investors redeeming their units will get redemption proceeds based on the NAV of main portfolio and will continue to hold the units of segregated portfolio.

Investors subscribing to the Scheme will be allotted units only in the main portfolio based on its NAV.

In case, PPFAS TC does not approve the above valuation process, all subscription and redemption applications will be processed based on the NAV of total portfolio.

G. Total Expense Ratio (TER) for segregated portfolio:

AMC shall not charge investment and advisory fees on the segregated portfolio.

TER (including legal charges and excluding the investment and advisory fees) shall be charged on pro- rata basis only upon recovery of investment in the segregated portfolio. The legal charges related to recovery of the investments of the segregated portfolio may be charged to the segregated portfolio in proportion to the amount of recovery. The maximum TER limit shall be same as applicable to the main portfolio. TER in excess of limit shall be borne by AMC. However, the costs related to segregated portfolio shall in no case be charged to the main portfolio.

The TER so levied shall not exceed the simple average of such expenses (excluding the investment and advisory fees) charged on daily basis on the main portfolio (in % terms) during the period for which the segregated portfolio was in existence.

H. Disclosure requirements:

A statement of holding indicating the units held by the investors in the segregated portfolio along with the NAV of both segregated portfolio and main portfolio as on the day of the credit event will be communicated to the investors within 5 working days of creation of the segregated portfolio. Further, adequate disclosure of the segregated portfolio will also appear in all scheme related documents, in monthly and half-yearly portfolio disclosures and in the annual report of the mutual fund and the Scheme. Further, the NAV of the segregated portfolio will be declared on daily basis.

The information regarding number of segregated portfolios created in a scheme shall appear prominently under the name of the scheme at all relevant places such as SID, KIM-cum-Application Form, advertisements, AMC and AMFI websites, etc. The scheme performance required to be disclosed at various places will include the impact of creation of segregated portfolio. The scheme performance will clearly reflect the fall in NAV to the extent of the portfolio segregated due to the credit event and the said fall in NAV along with recovery(ies), if any, will be disclosed as a footnote to the scheme performance. These disclosures regarding the segregated portfolio will be carried out for a period of at least 3 years after the investments in segregated portfolio are fully recovered/ written-off.

The investors of the segregated portfolio will be duly informed of the recovery proceedings of the investments of the segregated portfolio and status update will be provided to the investors at the time of recovery and also at the time of writing-off of the segregated securities. Upon recovery of money, whether partial or full, it will be immediately distributed to the investors in proportion to their holding in the segregated portfolio.

I. Monitoring by Trustees:

In order to ensure timely recovery of investments of the segregated portfolio, Trustees will ensure that, PPFAS AMC puts in sincere efforts to recover the investments of the segregated portfolio. Upon recovery of money, whether partial or full, it will be immediately distributed to the investors in proportion to their holding in the segregated portfolio. Any recovery of amount of the security in the segregated portfolio even after the write off shall be distributed to the investors of the segregated portfolio. Further, an Action Taken Report (ATR) on the efforts made by PPFAS AMC to recover the investments of the segregated portfolio will be placed in every Trustee meeting till the investments are fully recovered/ written-off.

The Trustees will monitor the compliance of this circular and disclose in the half-yearly trustee reports filed with SEBI, the compliance in respect of every segregated portfolio created.

In order to avoid mis-use of segregated portfolio, trustees will ensure that there is a mechanism in place to negatively impact the performance incentives of Fund Managers, Chief Investment Officers (CIOs), etc. involved in the investment process of securities under the segregated portfolio, mirroring the existing mechanism for performance incentives of the AMC, including claw back of such amount to the segregated portfolio of the scheme.

Creation of segregated portfolio will be optional and at the discretion of PPFAS AMC.

Apart from above, all other features and terms & conditions of the Scheme will remain unchanged and all references to the above modifications shall be suitably incorporated in the SID and KIM of the Scheme.

Illustration of portfolio segregation

The below table shows how a security affected by a credit event will be segregated and its impact on investors

Total Portfolio	Regular Plan	Direct Plan
Net Assets (A)	200.00	110.00
Units (B)	20.000	10.000
NAV per unit (A)/(B)	10.0000	11.0000

Assuming, the above portfolio has a security with market value of Rs. 20 which has got impacted by a credit event. Based on Trustees approval for segregation of portfolio, total portfolio would be split into main portfolio and segregated portfolio as given below:

Main Portfolio	Regular Plan	Direct Plan
Net Assets before Segregation (A)	200.00	110.00
Value of impacted security (B)	12.9040	7.0970
Net Assets after segregation (C) = (A) - (B)	187.0960	102.903
Units (D)	20.000	10.000
NAV per unit (C)/(D)	9.3548	10.2903
Segregated Portfolio	Regular Plan	Direct Plan
Value of impacted security segregated from Total Portfolio	12.9040	7.0970
Haircut @ 25%	3.226	1.774
Net Assets after Haircut (A)	9.678	5.323
Units (B)	20.000	10.000
NAV per unit (A)/(B)	0.4839	0.5323
Investor Holding	Regular Plan	Direct Plan
Net Assets in Total Portfolio	200.00	110.00
Net Assets in Main Portfolio	187.0960	102.903
Net Assets in Segregated Portfolio after Haircut*	9.678	5.323

* Market value of investor holding will come down to the extent of haircut on the impacted security.

Impact on investors:

1. **Existing Investors:** All existing investors in the scheme as on the day of the credit event will be allotted equal number of units in the segregated portfolio as held in the main portfolio.
2. **New Investors:** Investors subscribing to the scheme will be allotted units only in the main portfolio based on its NAV.
3. **Exiting Investors:** Investors redeeming their units will get redemption proceeds based on the NAV of main portfolio and will continue to hold the units of segregated portfolio.

J. Provisions related to Change in Fundamental Attributes / EXIT OPTION:

As the above proposal is a change in Fundamental Attributes of the Scheme, in accordance with Regulation 18(15A) of the SEBI (Mutual Funds) Regulations, 1996, and pursuant to SEBI circular no. SEBI/HO/IMD/DF2/CIR/P/2018/160 dated December 28, 2018 read with Circular no. SEBI/HO/IMD/DF2/CIR/P/2019/127 dated 07 November, 2019 the existing unitholders (i.e. whose names appear in the register of unitholders as on February 16, 2020) under the Scheme are hereby given an option to exit, i.e. **either redeem their investments or switch their investments to any other schemes of PPFAS Mutual Fund, within the 30 days exit period starting from February 17, 2020 till March 17, 2020 (both days inclusive and upto 3.00 pm on March 17, 2020)** at Applicable NAV, without payment of any exit load. The normal redemption form may be used for this purpose and submitted at any Investor Service Centers.

Unitholders who do not exercise the exit option on or before **March 17, 2020** would deemed to have consented to the proposed modification. **Kindly note that an offer to exit is merely optional and is not compulsory.**

All the valid applications for redemptions/switch-outs received under the schemes shall be processed at Applicable NAV of the day of receipt of such redemption/switch request, without payment of any exit load, provided the same is received during the exit period mentioned above. The redemption proceeds shall be dispatched within 10 (ten) business days of receipt of valid redemption request to those unitholders who choose to exercise their exit option. Redemption/switch-out of units from the schemes, during the exit period, may entail capital gain/loss in the hands of the unitholder. Similarly, in case of NRI investors, TDS shall be deducted in accordance with the applicable Tax laws, upon exercise of exit option and the same would be required to be borne by such investor only. Unitholders who have pledged or encumbered their units will not have the option to exit unless they procure a release of their pledges/encumbrances prior to the submission of redemption/switch requests. Unitholders should ensure that any change in address or payout bank details required by them, are updated in fund's records before exercising the exit option.

In view of individual nature of tax implications, unitholders are advised to consult their tax advisors. If the units are held in dematerialized form, investors are requested to contact their Depository Participant for their transactions.

The updated Scheme Information Document (SID) & Key Information Memorandum ("KIM") of the Scheme containing the revised provisions shall be displayed on the website <https://amc.ppfas.com> immediately after completion of duration of exit option.

All other features and terms and conditions of the Scheme shall remain unchanged.

This notice cum addendum shall form an integral part of the SID & KIM of Parag Parikh Liquid Fund. All other features, terms and conditions as mentioned therein remained unchanged.

NOTICE CUM ADDENDUM TO THE STATEMENT OF ADDITIONAL INFORMATION ('SAI'), SCHEME INFORMATION DOCUMENT (SID) AND KEY INFORMATION MEMORANDUM (KIM) OF THE SCHEMES OF PPFAS MUTUAL FUND

Introduction of Systematic Investment Plan (SIP) Pause Facility under all existing Schemes of PPFAS Mutual Fund

Notice is hereby given to all the investors / unit holders that PPFAS Asset Management Private Limited ('the **AMC**') and PPFAS Trustee Company Private Limited. ('the **Trustee**') have approved the following changes/modifications to Statement of Additional Information ('SAI'), Scheme Information Document(s) ('SIDs') and Key Information Memorandum(s) ('KIMs') of the schemes of **PPFAS Mutual Fund** ('the Fund'), as applicable.

SIP Pause facility allows investors to pause their SIP for a temporary period, without discontinuing the existing SIP. The facility shall be available to investors w.e.f. **9th May, 2020**.

The features, terms and conditions for availing SIP Pause facility are as follows:

1. SIP Pause request should be received at least 30 calendar days prior to the instalment date for the concerned SIP, which is required to be paused.
2. The Facility is applicable only for AMC initiated debit feeds i.e. ECS/NACH/Direct Debit, etc.
3. This Facility is available only for SIPs with Monthly and Quarterly frequencies except for SIPs registered through Mutual Fund Utility (MFU), MFSS system of NSE or BSE StAR MF platform of BSE or any other platforms of these stock exchanges and Channel Partners or those who have standing instructions with Banks as the SIP are registered directly with them and not with the fund house.
4. The maximum number of instalments that can be paused using this facility are 3 (three) consecutive instalments for SIPs registered with Monthly frequency and 1 (one) for SIPs registered with Quarterly frequency. Thereafter, the balance SIP instalments (as originally registered) will automatically resume.
5. If SIP Pause period coincides with SIP Top Up period, SIP instalment amount post completion of SIP Pause period would be inclusive of SIP Top Up amount. For eg: SIP Instalment amount prior to Pause period is ₹ 2,000/- and the Top-Up amount is ₹ 1,000/-. If the Pause period is completed after date of Top-Up, then the SIP instalment amount post-completion of Pause period shall be ₹ 3,000/-.
6. SIP Pause once registered cannot be cancelled.
7. Investors can opt for the Facility only once during the tenure of the SIP.

The AMC / Trustee reserves the right to change / modify the terms and conditions of the Facility or withdraw the Facility. Please refer to the SIP Pause Facility Form and instructions before enrolment.

All other terms & conditions of the SAI/ SIDs / KIMs of the schemes of the Fund, as applicable, will remain unchanged.

This addendum forms an integral part of Statement of Additional Information, Scheme Information Document(s) / Key Information Memorandum(s) of Schemes of PPFAS Mutual Fund, as applicable and amended from time to time.
