I. INTRODUCTION

A. RISK FACTORS

1. Standard Risk Factors

- a. Mutual funds and securities investments are subject to market risks and there is no assurance or guarantee that the Fund's objective will be achieved.
- b. As the price / value / interest rates of the securities in which the scheme invests fluctuates, the value of investment in the scheme may go up or down.
- c. Past performance of the Sponsor / AMC / Mutual Fund or its affiliates does not indicate the future performance of the scheme(s) of the Mutual Fund.
- d. State Bank of India, the sponsor, is not responsible or liable for any loss resulting from the operation of the scheme beyond the initial contribution made by it of an amount of Rs. 5 lakhs towards setting up of the mutual fund.
- e. SBI Benchmark Gsec Fund is only the name of the scheme and does not, in any manner, indicate either the quality of the scheme or its future prospects and returns.
- f. The NAV of the Schemes' Units may be affected by change in the general market conditions, factors and forces affecting capital markets in particular, level of interest rates, various market related factors and trading volumes.
- g. The present scheme is not a guaranteed or assured return scheme.
- h. Investment in Mutual Fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal.

2. Scheme-specific Risk Factors

The performance of the Scheme may be affected by changes in Government policies, general levels of interest rates and risks associated with trading volumes, liquidity and settlement systems, etc. Some of the risks are listed below:

a) Risks associated with investing in debt / Gilt securities

i. Reinvestment risk

This is associated with the fact that the intermediate cash flows (coupons, prepayment of principal in case of securitised transactions or principal payment in case a security gets called or repurchased) may not be reinvested at the same yield as assumed in the original calculations.

ii. Settlement risk

Different segments of the Indian financial markets have different settlement periods and such periods may be extended significantly by unforeseen circumstances. Delays or other problems in settlement of transactions could result in temporary periods when the assets of the Scheme are uninvested and no return is earned thereon. The inability of the Scheme to make intended securities purchases, due to settlement problems, could cause the Scheme to miss certain investment opportunities.

iii. Market risk

Lower rated or unrated securities are more likely to react to developments affecting the market and the credit risk than the highly rated securities which react primarily to movements in the general level of interest rates. Lower rated or unrated securities also tend to be more sensitive to economic conditions than higher rated securities.

b) Risks associated with investing in Government of India Securities

- Market Liquidity risk with fixed rate Government of India Securities even though the Government of India Securities market is more liquid compared to other debt instruments, on certain occasions, there could be difficulties in transacting in the market due to extreme volatility leading to constriction in market volumes.

Also, the liquidity of the Scheme may suffer in case the relevant guidelines issued by Reserve Bank of India undergo any adverse changes.

- Interest Rate risk associated with Government of India Securities - while Government of India Securities generally carry relatively minimal credit risk since they are issued by the Government of India, they do carry price risk depending upon the general level of interest rates prevailing from time to time. Generally, when interest rates rise, prices of fixed income securities fall and when interest rates decline, the prices of fixed income securities increase. The extent of fall or rise in the prices is a function of the coupon rate, days to maturity and the increase or decrease in the level of interest rates. The price-risk is not unique to Government of India Securities. It exists for all fixed income securities. Therefore, their prices tend to be influenced more by movement in interest rates in the financial system than by changes in the government's credit rating. By contrast, in the case of corporate or institutional fixed income Securities, such as bonds or debentures, prices are influenced by their respective credit standing as well as the general level of interest rates.

- Risks associated with floating rate Government of India Securities - Floating rate securities issued by the Government of India (coupon linked to Treasury bill benchmark or an inflation linked bond) have the least sensitivity to interest rate movements compared to other securities. Some of these securities are already in issue. These securities can play an important role in minimising interest rate risk in a portfolio.

c) Risks associated with investing in money market instruments

1. Money market securities, while fairly liquid, lack a well-developed secondary market, which may restrict the selling ability of the Scheme and may lead to the Scheme incurring losses till the security is finally sold.
2. Money market instruments may also be subject to price volatility due to factors such as changes in interest rates and general level of market liquidity.
3. The NAV of the Scheme's Units, to the extent that the Scheme is invested in money market instruments, will be affected by the changes in the level of interest rates. When interest rates in the market rise, the value of a portfolio of money market instruments can be expected to decline.

d) Risks associated with Investing in Foreign Securities - The Scheme shall not invest in Foreign Securities.

e) Risks associated with Investing in Derivatives - The Scheme shall not invest in derivatives.

f) Risks associated with securities lending:

The risks in lending portfolio securities, as with other extensions of credit, consist of the failure of another party, in this case the approved intermediary, to comply with the terms of agreement entered into between the lender of securities i.e. the Scheme and the approved intermediary. Such failure to comply can result in the possible loss of rights in the collateral put up by the borrower of the securities, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of any corporate benefits accruing to the lender from the securities deposited with the approved intermediary. The Mutual Fund may not be able to sell such lent securities and this can lead to temporary illiquidity.

g) The Trustees, AMC, Fund, their directors or their employees shall not be liable for any tax consequences that may arise in the event that the scheme is wound up for the reasons and in the manner provided under the SID & SAI.

h) Redemption by the Unit Holder due to change in the fundamental attributes of the Scheme or due to any other reasons may entail tax consequences. The Trustees, AMC, Fund, their directors or their employees shall not be liable for any tax consequences that may arise.

i) The tax benefits described in Statement of Additional Information (SAI) are as available under the present taxation laws and are available subject to relevant condition. The information given is included only for general purpose and is based on advice received by the AMC regarding the law and practice currently in force in India and the investors and Unit Holders should be aware that the relevant fiscal rules or their interpretation may change. As in the case with any investment, there can be no guarantee that the tax position or the proposed tax position prevailing at the time of the investment in the Scheme will endure indefinitely. In view of the individual nature of tax consequences, each investor / Unit Holder is advised to consult his/her/its own professional tax advisor.

j) Investors in the Scheme are not being offered any guaranteed / assured returns.

- k) SBI Benchmark Gsec Fund will be investing in Government Securities and money market instruments (such as treasury bills, reverse repos & CBLO). Trading volumes and settlement periods inherently restrict the liquidity of the scheme's investments. In the event of a restructuring of the scheme's investment portfolio, these periods may become significant.
- l) The Mutual Fund is not assuring any returns nor is it assuring that it will make periodic distributions. All dividend distributions are subject to the investment performance of the scheme, availability of distributable profits and computed in accordance with SEBI (MF) Regulations.
- m) Different types of securities in which the scheme would invest as given in the SID carry different levels of risk. Accordingly the scheme's risk may increase or decrease depending upon the investment pattern.
- n) No person has been authorized to issue any advertisement or to give any information or to make any representations other than that contained in this SID. Circulars in connection with this offering not authorized by the Mutual Fund and any information or representations not contained herein must not be relied upon as having been authorized by the Mutual Fund.

3. Risk Control strategies:

Investments in debt securities carry various risks such as inability to sell securities, trading volumes and settlement periods, interest rate risk, liquidity risk, default risk, reinvestment risk etc. Whilst such risks cannot be eliminated, they may be mitigated by diversification.

In order to mitigate the various risks, the portfolio of the Scheme will be constructed in accordance with the investment restriction specified under the Regulations which would help in mitigating certain risks relating to investments in securities market.

Further, the AMC has necessary framework in place for risk mitigation at an enterprise level. The Risk Management division is an independent division within the organization. Internal limits are defined and judiciously monitored. Risk indicators on various parameters are computed and are monitored on a regular basis. There is a Board level Committee, the Risk Management Committee of the Board, which enables a dedicated focus on risk factors and the relevant risk mitigants.

B. REQUIREMENT OF MINIMUM INVESTORS IN THE SCHEME

The Scheme shall have a minimum of 20 investors and no single investor shall account for more than 25% of the corpus of the Scheme. In case the Scheme does not have a minimum of 20 investors in the stipulated period, the provisions of Regulation 39(2)(c) of the SEBI (MF) Regulations would become applicable automatically without any reference from SEBI and accordingly the Scheme shall be wound up and the units would be redeemed at applicable NAV. The two conditions mentioned above shall also be complied within each subsequent calendar quarter thereafter, on an average basis, as specified by SEBI. If there is a breach of the 25% limit by any investor over the quarter, a rebalancing period of one month would be allowed and thereafter the investor who is in breach of the rule shall be given 15 days notice to redeem his exposure over the 25 % limit. Failure on the part of the said investor to redeem his exposure over the 25 % limit within the aforesaid 15 days would lead to automatic redemption by the Mutual Fund on the applicable Net Asset Value on the 15th day of the notice period. The Fund shall adhere to the requirements prescribed by SEBI from time to time in this regard.

C. SPECIAL CONSIDERATIONS, IF ANY

Investors should study the Scheme Information Document carefully in its entirety and should not construe the contents thereof as advice relating to legal, taxation, investment or any other matters. Investors are advised to consult their legal, tax, investment and other professional advisors to determine possible legal, tax, financial or other considerations of subscribing to or redeeming Units, before making a decision to invest/redeem Units.

a) Right to Limit Redemptions

The Mutual Fund reserves the right to temporarily suspend further reissues or repurchases under the scheme in case of any of the following:

- a natural calamity / strikes / riots and bandhs or
- in case of conditions leading to a breakdown of the normal functioning of securities markets or

- periods of extreme volatility of markets, which in the opinion of AMC, prejudicial to the interest of the unit holders of the scheme or illiquidity
- under a SEBI or Government directive
- under a court decree / directive
- in the event of any force majeure or disaster that affect a normal functioning of AMC or the Registrar
- Political, economic or monetary events or any circumstances outside the control of the Trustee and the AMC.

Suspension or restriction of repurchase/redemption facility under any scheme of the mutual fund shall be made applicable only after the approval from the Board of Directors of the Asset Management Company and the Trustee. The approval from the Board of Directors and the Trustees giving details of circumstances and justification for the proposed action shall also be informed to SEBI in advance.

b) Termination of the scheme

The Trustees reserve the right to terminate the scheme at any time. Regulation 39(2) of the SEBI Regulations provides that any scheme of a mutual fund may be wound up after repaying the amount due to the Unit holders:’

- on the happening of any event which, in the opinion of the Trustees, requires the scheme to be wound up; or
- if 75% of the Unit holders of a scheme pass a resolution that the scheme be wound up; or
- if SEBI so directs in the interest of the unit holders.

Where a scheme is wound up under the above Regulation, the trustees shall give a notice disclosing the circumstances leading to the winding up of the scheme:

- to SEBI; and
- in two daily newspapers having circulation all over India & a vernacular newspaper circulating at the place where the mutual fund is formed.

In case of termination of the scheme, regulation 41 of the SEBI (mutual Funds) Regulations, 1996 shall apply.

II. INFORMATION ABOUT THE SCHEME

A. TYPE OF THE SCHEME - An open ended Gilt Scheme

B. INVESTMENT OBJECTIVE OF THE SCHEME

Investment objective of the fund is to generate credit risk-free returns by investing predominantly in government securities with average maturity of 10 years.

There can be no assurance that the investment objective of the scheme will be realized

C. SCHEME ASSET ALLOCATION

The asset allocation pattern under normal circumstances would be as follows:

Instruments	Indicative allocations (% of total assets)		Risk Profile
	Minimum	Maximum	High/Medium/Low
Dated Government Securities	65%	100%	Low
Treasury Bills, Reverse Repo* & CBLO	0%	35%	Low to Medium

The scheme will not invest in derivatives & securitized debt.

* Investment in reverse repo will be only against the collateral of sovereign securities.

The Scheme shall not make any investment in ADRs / GDRs / Foreign Securities.

The Scheme shall not participate in repo in corporate debt.

Notwithstanding the above, the Scheme may also hold cash and/or cash equivalents from time to time for temporary defensive purposes.

These limits will be reviewed by the AMC from time to time based on views on the debt markets and asset liability management needs. However, at all times the portfolio of the Scheme will adhere to the overall investment objective of the Scheme.

The Scheme may also invest in short term deposits of scheduled commercial banks as permitted by SEBI.

D. CHANGE IN ASSET ALLOCATION

Subject to the Regulations, the asset allocation pattern of the Scheme indicated above may change from time to time, keeping in view market conditions and opportunities, applicable regulations and political and economic factors. It must be clearly understood that the percentages stated above are only indicative and not absolute and that they can vary substantially depending upon the perception of the fund manager, the intention being at all times to seek to protect the interests of the Unit Holders. Such changes in the investment pattern will be for short term and for defensive considerations only and the fund manager will endeavour to rebalance the portfolio within one month from the date of deviation. In case the same is not aligned to the asset allocation pattern of the Scheme indicated above within the said period, appropriate justification will be provided to the Boards of Directors of the AMC and Trustee.

It may be noted that no prior intimation/indication will be given to investors when the composition/asset allocation pattern under the Scheme undergo changes within the permitted bands as indicated above. Investors/Unit Holders can ascertain details of asset allocation of the Scheme as on the last date of each month on the Mutual Fund's website at www.sbimf.com that will display the asset allocation of the Scheme as on the given day.

Provided further and subject to the above, any change in the asset allocation affecting the investment profile of the Scheme shall be effected only in accordance with the provisions of sub regulation (15A) of Regulation 18 of the Regulations, as detailed in Section II (I) - Fundamental Attributes of this Document.

E. DEBT MARKET IN INDIA

The Indian debt markets are one of the largest and rapidly developing markets in Asia. Government and Public Sector enterprises are the predominant borrowers in the market. The debt markets have received lot of regulatory and governmental focus off late and are developing fast, with the rapid introduction of new instruments including derivatives. Foreign Institutional Investors are also allowed to invest in Indian debt markets subject to ceiling levels announced by the government. There has been a considerable increase in the trading volumes in the market. The trading volumes are largely concentrated in the Government of India Securities, which contribute a significant proportion of the daily trades.

The money markets in India essentially consist of the call money market (i.e. market for overnight and term money between banks and institutions), repo transactions (temporary sale with an agreement to buy back the securities at a future date at a specified price), commercial papers (CPs, short term unsecured promissory notes, generally issued by corporates), certificate of deposits (CDs, issued by banks), Treasury Bills (issued by RBI) and the CBLO (collateralized lending and borrowing facility).

Government securities are largely traded on a Negotiated Order Matching system (NDS OM) apart from the OTC market. The settlement of trades both in the Gsec markets and the overnight repo and CBLO are guaranteed and done by a central counterparty, the Clearing corporation of India (CCIL). Money market deals involving CD's and CP's are traded and settled on an OTC basis. The clearing and settlement of corporate bond deals are now routed through a central counterparty established by the exchanges BSE (ICCL) and NSE (NSCCL) which settles deals on a DVP (Delivery versus payment) non guaranteed basis.

The current market yields of various instruments and the factors affecting prices of such securities are given hereunder. The securitized instruments of higher ratings generally offer yields which are 50-75 basis points higher than the comparable normal debt instruments.

Following are the yield matrix of various debt instruments as on October 29, 2015:

Instruments	Indicative yield range
Overnight rates	6.75%
90 day Commercial Paper	7.50%
91-day T-bill	7.10%
1 year G-Sec.	7.18%
5 year G - Sec	7.68%
10 year G-Sec.	7.59%
1 year AAA Bond	7.75%
5 year AAA Bond	8.11%

The interest rate market conditions are influenced by the Liquidity in the system, Credit growth, GDP growth, Inflows into the Country, Currency movement in the Forex market, demand and supply of issues and change in investors' preference. Generally when there is a rise in interest rates the price of securities fall and vice versa. The extent of change in price shall depend on the rating, tenor to maturity, coupon and the extent of fall or rise in interest rates. The Government securities carry zero credit risk, but they carry interest rate risk like any other Fixed Income Securities. Money market instruments such as CP's and CD's which are fairly liquid are not listed in exchanges. The impact cost of offloading the various asset classes differ depending on market conditions and may impair the value of the securities to that extent. Further, investments in securitized instruments or structured obligation papers carry a higher illiquidity risk. They also carry limited recourse to the originator, delinquency risk out of the defaults on the receivables and prepayment risk which affects the yields on the instruments.

F. STOCK LENDING

The scheme may also engage in stock lending. Stock lending means the lending of stock to another person or entity for a fixed period of time, at a negotiated compensation. The securities lent will be returned by the borrower on expiry of the stipulated period. The Fund may in future carry out stock-lending activity under the scheme, in order to augment its income. Stock lending may involve risk of default on part of the borrower. However, this risk will be substantially reduced as the Fund has opted for the "Principal Lender Scheme of Stock Lending", where entire risk of borrower's default rests with approved intermediary and not with the Fund. There may also be risks associated with Stock Lending such as liquidity and other market risks. Any stock lending done by

the scheme shall be in accordance with any Regulations or guidelines regarding the same. The AMC will apply the following limits, if it desire to engage in Stock Lending:

- (a) Not more than 20% of the net assets can generally be deployed in Stock Lending
- (b) Not more than 5% of the net assets can generally be deployed in Stock Lending to any single counter party.

G. TYPE OF THE INSTRUMENTS IN WHICH SCHEME WILL INVEST

The corpus of the Scheme will be invested primarily in dated securities issued by Central / State Government . However due to illiquidity of the securities, changes in the benchmark securities, insufficient size of the fund or lack of availability of relevant securities the fund will also invest in money market securities issued by RBI.

The corpus of the Scheme will be invested in the following securities:

1. Treasury Bills (T-Bills) are issued by the Government of India to meet their short term borrowing requirements. T-Bills are issued for maturities of 91 days, 182 days and 364 days. T-bills are issued at a discount to their face value and redeemed at par.
2. Collateralised Borrowing and Lending Obligations (CBLO) is a money market instrument that enables entities to borrow and lend against sovereign collateral security. It is in electronic form. The maturity ranges from 1 day to 90 days and can also be made available upto 1 year. Central Government Securities including T-bills are eligible securities that can be used as collateral for borrowing through CBLO.
3. Securities created and issued by the Central Government Securities are a sovereign debt obligation of the Government of India with zero-risk of default and are issued on its behalf by the RBI. They form a part of the Government's annual borrowing program, and are used to fund the fiscal deficit along with other short and long-term fund requirements. Such securities are normally fixed interest securities where the interest is paid semi-annually. Different types of Central Government Securities are the fixed interest securities, fixed interest security with put/ call option, floating rate securities, capital-indexed bond, inflation-indexed bond, zero-coupon bonds including oil bonds, food bonds, fertiliser bonds, etc. and other such instruments as specified by RBI from time to time.
4. State Government securities are issued by the respective State governments in co-ordination with the RBI. State Government Securities are normally fixed interest securities where the interest is paid semi-annually.
5. Repo (Repurchase Agreement) or Reverse Repo is a transaction in which two parties agree to sell and purchase the same security with an agreement to purchase or sell the same security at a mutually decided future date and price. The transaction results in collateralized borrowing or lending of funds. When the seller sells the security with an agreement to repurchase it, it is Repo transaction whereas from the perspective of buyer who buys the security with an agreement to sell it at a later date, it is reverse repo transaction. Presently in India, G-Secs, State Government Securities and T-Bills are eligible for Repo/Reverse Repo.
6. Pending deployment of funds of a scheme in terms of investment objectives of the scheme, a mutual fund may invest them in short term deposits of schedule commercial banks, subject to such Guidelines as may be specified by the SEBI vide its circular no. SEBI/IMD/CIR No. 1/91171/07 dated 16th April 2007 & SEBI/IMD/CIR No. 7 / 129592 dated June 23, 2008.
7. 'When, as and if issued' securities :

The fund manager will have the flexibility to invest the debt component into floating rate debt securities in order to reduce the impact of rising interest rates in the economy. Short term debt considerations for this Scheme includes maintaining an adequate float to meet anticipated levels of Redemptions, expenses, and other liquidity needs.

Further, SEBI has on April 16, 2008 in principle allowed mutual funds to undertake 'When Issued (WI)' transactions in Central Government securities, at par with other market participants. Transactions in a security on a 'When Issued' basis shall be undertaken in the following manner:

- 'WI' transactions can be undertaken in the case of securities that are being reissued as well as newly issued, on a selective basis.
- 'WI' transactions would commence on the issue notification date and it would cease on the working day immediately preceding the date of issue.
- All 'WI' transactions for all trade dates will be contracted for settlement on the date of issue.
- At the time of settlement on the date of issue, trades in the 'WI' security will be netted off with trades in the existing security, in the case of reissued securities.

- 'WI' originating transactions may be undertaken only on NDS-OM. However, undertaking the cover leg of the 'WI' transactions is permitted even outside the NDS-OM platform, i.e., through telephone market.
- The transaction should be guaranteed by an approved central counterparty namely Clearing Corporation of India Limited (CCIL).
- Only PDs can take a short position in the 'WI' market. In other words, non-PD entities can sell the 'WI' security to any counterparty only if they have a preceding purchase contract for equivalent or higher amount.
- Open positions in the 'WI' market are subject to the following limits:

Category	Reissued security	Newly issued security
Non-PDs	Long position, not exceeding 5 percent of the notified amount.	Long position, not exceeding 5 percent of the notified amount.

The Scheme will not invest in foreign securitized debt.

The debt and money market securities mentioned above could be fixed rate or floating rate, privately placed, secured, unsecured, rated or unrated debt instruments.

The Scheme may also enter into repurchase (repo) and reverse repurchase (reverse repo) obligations in all securities held by it as per the guidelines and regulations applicable to such transactions.

The portfolio duration may undergo a change according to the movement in interest rates. Liquidity conditions and other macro-economic factors affecting interest rates shall be taken into account for varying the portfolio duration.

The Scheme may avail itself of the liquidity support from the RBI extended to mutual funds dedicated to investments in government securities via circular no. IDMC. No.2741/03.01.00/ 95-96 dated April 20, 1996 as amended from time to time.

H. INVESTMENT STRATEGIES

The corpus of the Scheme will be invested primarily in dated securities issued by central / State Government such that the Scheme will endeavour to maintain an average maturity of close to ten years. The Scheme will be managed according to its respective investment objective and will endeavour to generate regular income with Medium risk. The rationale for investment in such securities is to minimize the credit risk of counterparty default risk as sovereign securities issued by the Central/State Governments are generally considered to be of the better credit quality and safety for timely servicing of debt obligations.

I. FUNDAMENTAL ATTRIBUTES

Following are the Fundamental Attributes of the scheme, in terms of Regulation 18 (15A) of the SEBI (MF) Regulations:

(i) **Type of a scheme:** An open ended Gilt Scheme

(ii) **Investment Objective:** Investment objective of the fund is to generate credit risk-free returns by investing predominantly in government securities with average maturity of 10 years.

There can be no assurance that the investment objective of the scheme will be realized

L. INVESTMENT RESTRICTIONS

As per the Trust Deed read with the SEBI Regulations, the following investment restrictions apply in respect of the Scheme at the time of making investments. All investments under the Scheme will be made in accordance with its investment objective, investment strategy and investment pattern described previously.

1. The Scheme shall not invest more than 15% of its net assets in debt instruments issued by a single issuer which are rated not below investment grade by a credit rating agency authorised to carry out such activity under the SEBI Act, 1992. Such investment limit may be extended to 20% of the net assets of the Scheme with the prior approval of the Boards of the Trustee and the AMC.

Provided that such limit shall not be applicable for investments in government securities.

Provided further that investment within such limit can be made in mortgaged backed securitised debts which are rated not below investment grade by a credit rating agency registered with SEBI.

2. The Scheme shall not invest more than 10% of its net assets value in unrated debt instruments issued by a single issuer and the total investment in such instruments shall not exceed 25% of the net assets value of the Scheme. All such investments shall be made with the prior approval of the Boards of Trustee and the AMC.
3. The Scheme shall not invest more than 30% of its net assets in money market instruments of an issuer.

Provided that such limit shall not be applicable for investments in Government securities, treasury bills and collateralized borrowing and lending obligations.

4. Transfer of investments from one scheme to another scheme in the Mutual Fund is permitted provided :
 - (a) Such transfers are done at the prevailing market price for quoted instruments on spot basis.
Explanation - "spot basis" shall have the same meaning as specified by stock exchange for spot transactions.
 - (b) The securities so transferred shall be in conformity with the investment objective of the scheme to which such transfer has been made.
5. The Scheme may invest in another scheme under the same AMC or any other mutual fund without charging any fees, provided that aggregate inter-scheme investment made by all schemes under the same management or in schemes under the management of any other asset management company shall not exceed 5% of the net asset value of the Mutual Fund.
6. The Scheme shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relevant securities and in all cases of sale, deliver the securities.

The Scheme shall not invest in derivative products.

Provided further that sale of government security already contracted for purchase shall be permitted in accordance with the guidelines issued by the Reserve Bank of India in this regard.

7. The Mutual Fund shall, get the securities purchased or transferred in the name of the Mutual Fund on account of the Scheme, wherever investments are intended to be of a long term nature.

P. PROCEDURES FOLLOWED FOR INVESTMENT DECISIONS

The investment policy manual defines the broad guidelines for investments by various funds. Fund managers invest based on the offer document limits, regulatory limits and internal guidelines as set out in the Investment policy manual. Fund managers take input from the research team. The Head of Research will be heading the research team and will be responsible for the research output and performance. The transactions relating to the investments will be carried out by separate Debt and Equity Dealers. The processes and risks in the Investment activities will be monitored through a senior functionary reporting to the CIO. Investment committee is playing the role of governance and supervisory body for all investment related activities. The committee will hold a meeting on a periodic basis for a detailed review of portfolio holdings, scheme performance and investment strategy and also to ensure adherence to all internal processes. The Investment Committee monitors and supervises the investment decisions made by the Investment team and also monitors the risk parameters in each scheme to ensure that the investment limits are properly observed. The risk origination for the investments is done based on the guidelines issued by SEBI and Board of Trustees. Concurrent auditors periodically check the limits and their reports are placed before the Audit Committee, which is comprised of the independent Directors and Trustees

Both plans have Growth & Dividend options.

a) Growth Option:

Dividends will not be declared under this Option. The income attributable to Units under this Option will continue to remain invested and will be reflected in the Net Asset Value of Units under this Option.

b) Dividend Option

Under this Option, it is proposed to declare dividends subject to availability of distributable profits, as computed in accordance with SEBI (MF) Regulations. The Trustee reserves the right to declare dividends under the dividend option of the Scheme(s) depending on the availability of distributable surplus under the Scheme(s).

Dividend option has Pay-out and Re-investment facilities.

Dividend Re-investment Facility

Unit holders opting for Dividend Option may choose to reinvest the dividend to be received by them in additional Units of the Scheme(s). Under this facility, the dividend due and payable to the Unit holders will be compulsorily and without any further act by the Unit holders, reinvested in the Dividend Option at the prevailing ex-dividend Net Asset Value per Unit on the record date. The amount of dividend re-invested will be net of tax deducted at source, wherever

	<p>applicable. The dividends so reinvested shall constitute a constructive payment of dividends to the Unit holders and a constructive receipt of the same amount from each Unit holder for reinvestment in Units. On reinvestment of dividends, the number of Units to the credit of Unit holder will increase to the extent of the dividend reinvested divided by the Applicable NAV as explained above. There shall, however, be no Entry Load and Exit Load on the dividend so reinvested. The AMC reserves the right to introduce a new option / investment Plan at a later date, subject to the SEBI (MF) Regulations.</p> <p>Under the Dividend option, facility for reinvestment/payout & transfer of dividend is available. The Dividend option would endeavour to declare dividends subject to the availability of distributable surplus and at the discretion of the Fund Manager subject to the approval of the Trustees. The Growth option would not declare dividends and returns in this option would be through capital appreciation only. Both options however may declare bonus Magnums / Units subject to the availability of distributable surplus. Both the options would be maintained as a common portfolio.</p> <p>The Unit holders may reinvest any dividend due to them, at no sales charge by indicating at the appropriate place in the application form. The dividend reinvestment may be cancelled on receipt of a request from the Unit holders for the same.</p> <p>As and when the dividend is declared by a Scheme(s) and the dividend amount payable is less than Rs. 250/- (Rupees Two Hundred and Fifty only), the same will be compulsorily reinvested in the respective Scheme(s)/ Plan(s)/ Option(s) immediately on the ex-dividend date at applicable NAV.</p> <p>Between "Growth" or "Dividend" option, the default will be treated as "Growth". In "Dividend" option between "Reinvestment" and "Payout", the default will be treated as "Reinvestment". Kindly note that if the Dividend under Payout sub-option is less than or equal to Rs. 250/- then it will be by default reinvested.</p>
Dividend Policy	<p>The Trustee reserves the right to declare dividends under the dividend option of the Scheme depending on the net distributable surplus available under the Scheme.</p> <p>The procedure and manner of payment of dividend shall be in line with SEBI circular / guidelines no. SEBI / IMD / CIR No. 1 / 64057 / 06 dated April 04, 2006 and SEBI / IMD / CIR No. 3 / 65370 / 06 dated April 21, 2006 as amended from time to time.</p>
Minimum amount for purchase / Switch-in	<p>Rs. 5,000/- and in multiples of Re. 1/-.</p> <p>The Mutual Fund reserves the right to alter the minimum subscription amount under the scheme.</p>

Additional Purchase (Non-SIP)	Rs. 1,000/- and in multiples of Re. 1/-.
Minimum amount for redemption/switch-out	Minimum Redemption: Rs.1000 or 100 units or account balance whichever is lower. Please note that as a result of redemption, if the outstanding balance amount falls below the minimum redemption amount as per the scheme features, SBIMF reserves the right to redeem the balance units at applicable repurchase price.
Allotment	<p>New investors may apply for Units by filling up the Application Form. Existing Unit Holders can apply for Units using the Transaction Slip. All valid applications will be allotted Units at the Applicable NAV for the application amount. The AMC shall send a confirmation specifying the number of Units allotted to the investor by way of electronic mail and/or SMS to the investor's registered e-mail address and/or mobile number as soon as possible.</p> <p>All allotments will be provisional, subject to realization of payment instrument and subject to the AMC having been reasonably satisfied that the Mutual Fund has received clear funds.</p> <p>The AMC/Trustee retain the sole and absolute discretion to reject any Application Form/Transaction Slip for want of complete documentation or further information.</p> <p>Investors under the Scheme will have an option to hold the Units either in physical form or in dematerialized (electronic) form. In case of investors opting to hold Units in dematerialized mode, the Units will be credited to the investors' depository account (as per the details provided by the investor) not later than 5 Business Days (or such number of days as may be permitted under the SEBI (MF) Regulations) from the date of receipt of application.</p> <p>Normally, no Unit Certificate will be issued. However, if the applicant so desire, the AMC shall issue a non-transferable Unit Certificate to the applicant within 30 days of the receipt of the request. Unit Certificate, if issued, should be duly discharged by the Unit Holder and surrendered along with the request for Redemption/Switch or any other transaction of Units covered therein.</p>

C. LOAD STRUCTURE

Load is an amount which is paid by the investor to subscribe to the units or to redeem the units from the scheme. This amount is used by the AMC to pay commissions to the distributor and to take care of other marketing and selling expenses. Load amounts are variable and are subject to change from time to time. For the current applicable structure, please refer to the website of the AMC (www.sbimf.com) or contact your distributor.

The following table illustrates the expenses that the investors will incur on their purchases/ sales of Units during the continuous offer (including Systematic Investment Plan) under this scheme:

Nature of expense	Charge (% of NAV)
Entry Load	Not Applicable
Exit Load	Nil

No Exit Load shall be charged for Switch from Direct Plan to Regular Plan under the Scheme; However, in case of switch from Regular Plan to Direct Plan under the Scheme shall be subject to applicable exit load, if any

The AMC reserves the right to introduce a load structure, levy a different load structure or remove the load structure in the scheme at any time after giving notice to that effect to the investors through an advertisement in an English language daily that circulates all over India as well as in a newspaper published in the language of the region where the Head Office of the mutual fund is situated.

The upfront commission on investment, if any, shall be paid to the ARN Holder directly by the investor, based on the investor's assessment of various factors including service rendered by the ARN Holder.

The exit load charged, if any, after the commencement of the SEBI (Mutual Funds) (Second Amendment) Regulations, 2012, shall be credited to the scheme. Service tax on exit load shall be paid out of the exit load proceeds and exit load net of service tax shall be credited to the scheme.

For any change in load structure AMC will issue an addendum and display it on the website/ Official Point of Acceptance of SBI Mutual fund.

Any imposition or enhancement in the load shall be applicable on prospective investments only. However, AMC shall not charge any load on issue of bonus units and units allotted on reinvestment of dividend for existing as well as prospective investors. At the time of changing the load structure, the mutual fund may consider the following measures to avoid complaints from investors about investment in the schemes without knowing the loads:

- 1) The addendum detailing the changes may be attached to Scheme Information Documents and key information memorandum. The addendum may be circulated to all the distributors/brokers so that the same can be attached to all Scheme Information Documents and key information memoranda already in stock.
- 2) Arrangements may be made to display the addendum in the Scheme Information Document in the form of a notice in all the investor service centers and distributors/brokers office.
- 3) The introduction of the exit load/ CDSC alongwith the details may be stamped in the acknowledgement slip issued to the investors on submission of the application form and may also be disclosed in the statement of accounts issued after the introduction of such load/CDSC.
- 4) A public notice shall be given in respect of such changes in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of region where the Head Office of the Mutual Fund is situated.
- 5) Any other measures which the mutual funds may feel necessary.

In accordance with SEBI Regulations, the repurchase price will not be lower than 93% of the NAV and the sale price will not be higher than 107% of the NAV, and the difference between sale price and repurchase price shall not exceed 7% of the sale price.

The investor is requested to check the prevailing load structure of the Scheme before investing.

V. RIGHTS OF UNITHOLDERS

4. Any pending material civil or criminal litigation incidental to the business of the Mutual Fund to which the Sponsor(s) and/ or the AMC and/ or the Board of Trustees /Trustee Company and/ or any of the directors and/ or key personnel are a party should also be disclosed separately.

Some ordinary routine litigations incidental to the business of the Fund are pending, and further a petition / summary suit against the Fund is pending in the court. A case was filed at the High Court of Judicature at Bombay by M/s Morarka Finance Limited for recovery of Rs 8.44 lakhs together with interest being the excess price paid by them in equity buyback transaction relating to the shares of M/s Pampasar Distilleries Limited. M/s A.R. Bhole and Company, Advocates are defending the case on our behalf. The case was transferred from the High Court of Bombay to the City Civil Court, Mumbai on September 29, 2012. Hearings are ongoing at the City Civil Court.

Apart from this, following are the details of Penalties, pending litigation or proceedings, findings of inspection or investigations for which action may have been taken or initiated by any regulatory authority against the AMC - SBI Funds Management Private limited (SBIFMPL) in a capacity of Investment Manager to the SBI Mutual Fund:

- a) SEBI has initiated an investigation for the transactions in the shares of M/S Polaris Software Lab Limited, made during the period April 01, 2002 to May 31, 2002 by SBI Mutual Fund, having suspected SBI Mutual Fund of indulging in insider trading on account of proposed merger of M/s Orbi Tech Solutions with M/s Polaris Software Lab Limited, i.e. 'unpublished price sensitive information' about Polaris under the SEBI (Insider Trading Regulation) Regulation, 1992. SBIMF has denied having violated of any insider trading regulation or SEBI Act. SEBI had issued a show cause notice on June 20, 2007 and SBIMF has replied to SEBI on June 30, 2008. Since then, there has been no further communication on the matter from SEBI till date.
 - b) SEBI had initiated an investigation into certain transactions in the shares of M/s. Padmini Technologies Limited ("PTL"), during the period 2000-2001, which included an inquiry into the investments made by SBI Mutual Fund in the shares of PTL. The Central Bureau of Investigation had also investigated about various aspects of transactions in the shares of PTL which included investments by various schemes of SBI Mutual Fund during the period. A case was subsequently filed in the Sessions Court at Mumbai in 2006 against some ex-employees of the Company. SBI Funds Management Private Limited ("SBIFMPL"), SBI Mutual Fund Trustee Company Pvt. Ltd. and SBI Mutual Fund are not parties to this case. The internal investigations conducted by the Chairman, Board of Trustees, SBI Mutual Fund, however, had ruled out any questionable intentions of SBI Mutual Fund in the matter. Further, a show cause notice dated January 29, 2010 ("2010 SCN") was received from SEBI in the matter and SBI Mutual Fund has replied to the show cause notice countering the allegations made by SEBI. SBI Mutual Fund had also made an application to SEBI to settle the matter through the consent process, i.e. on a no-fault basis, without accepting or denying guilt. The said consent proposal has not been accepted by SEBI vide its letter dated March 22, 2013. A fresh Show Cause Notice dated May 28, 2013 ("2013 SCN") has been issued enclosing a copy of an enquiry report conducted again by a Designated Authority, recommending a prohibition on SBI Mutual Fund from launching any new mutual fund schemes for a period of 12 months. In terms of the opportunity made available in the 2013 SCN to avail the consent process, SBI Mutual Fund had filed a consent application which was returned by SEBI stating that the consent application by SBIFMPL shall not be reconsidered by SEBI. SBIFMPL is dealing with the issue and have engaged the services of legal counsel to resolve the matter.
5. Any deficiency in the systems and operations of the Sponsor(s) and/ or the AMC and/ or the Board of Trustees/Trustee Company which SEBI has specifically advised to be disclosed in the SID, or which has been notified by any other regulatory agency, shall be disclosed.

Not Applicable

Notwithstanding anything contained in this Scheme Information Document, the provisions of the SEBI (Mutual Funds) Regulations, 1996 and the guidelines there under shall be applicable.

The Scheme was acquired from Daiwa Asset Management (India) Pvt. Limited as SBI Benchmark Gsec Fund. The acquisition of Scheme was approved by SBI Mutual Fund Trustee Company Private Limited on December 15, 2012.

For and on behalf of the Board of Directors,
